

# Shout

Elisheva Marvin | Eve Marvin

## Verse1:

G#m                    E                                    B                    F#  
Blow the mighty trumpets that we may praise His name  
G#m                    E                                    C#m                    F#                    G#m  
Blow the mighty trumpets that we may worship the One who saves

## Pre-Chorus:

G#m                    E                                    B                    F#  
Shout to the Lord with all your heart                    (2x)

## Chorus:

G#m                    E                    B                    F#  
Kadosh, kadosh Holy, Holy  
G#m                    E                    B                    F#  
Baruch Ha Shem, bless His Name (2x)

## Verse2:

G#m                    E                                    B                    F#  
Shout the Name of Salvation, Yeshua  
G#m                    E                                    C#m F#                    G#m  
Get on your knees and praise Him with all that you've got
