BME PHD Mentor Agreement

At the time that a BME PHD student identifies a mentor (no later than end of 1st year in the Program), and the mentor agrees to have the student in their laboratory for the duration of their dissertation, this form should be signed and returned to the BME PHD Program office. The intent of this form is to outline the financial responsibilities of the mentor.

**Costs per year**
Stipend/Medical/Dental: $33.5K (approximate figure, as of FY 2015)
Ph.D. Program overhead: $2.1K

If the mentor loses funding, the home department of the mentor is expected to provide support.

Student Name: ______________________________
Budget number for stipend and insurance: ________________
Budget number for PHD Program overhead: ________________
Mentor Name: ______________________________
Mentor Signature: ______________________________

By signing this form, you are confirming your understanding of the financial obligations of a BME PHD mentor. Please sign and return the form to Hong Lan at hlan1@jhmi.edu prior to the student joining the laboratory.
