WANT

Found My Animal's goal is to raise awareness of animal adoption while also raising the street cred of any dog lucky enough to wear one of its nautical-inspired rope leashes (\$87) and/or matching collars (\$75); beansandjazz.com.au.

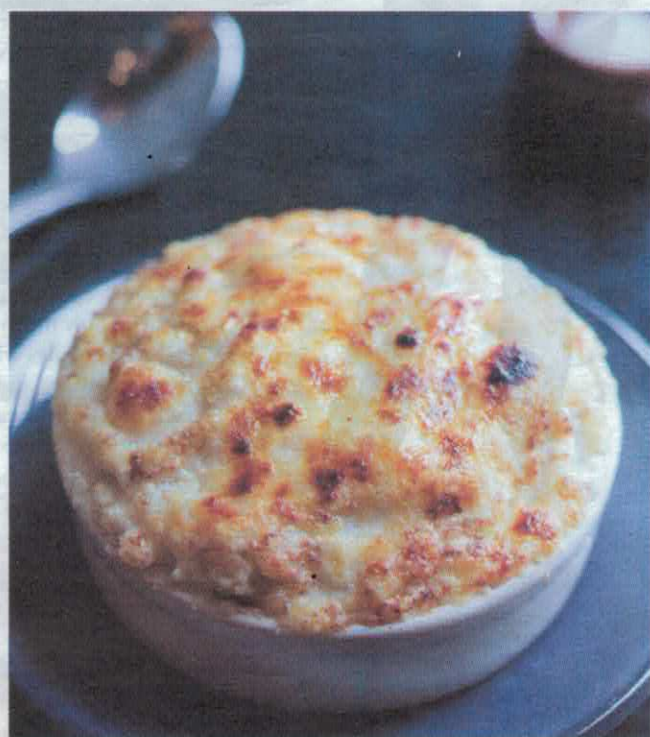

NEED

The Beach People's "roundie" has us pondering the future of the rectangular beach towel. This one's "The Aztec" and we love the geometric print and the fact it's large enough to host two big humans, or a raft of little ones. \$110, thebeachpeople.com.au.

READ

Joanna Cooper and Vanessa Rowe welcome us into their Sydney beachside homes with *Our Tamarama Kitchen* (ourtamaramakitchen.com, \$60), bursting with recipes for nourishing food perfect for sharing with friends and family.

EAT

It's hard to go past a mac and cheese, even more so when it's laced with truffle oil! The General Assembly's version (\$8) is grilled to perfection and so generous it's probably best shared with a friend. 29 South Wharf Promenade, South Wharf, (03) 9682 6007.
