

CULTIVATE LANCASTER

ENTREPRENEURS FORUM

Presented by the Lancaster City Alliance and ASSETS, the **CULTIVATE LANCASTER Entrepreneurs Forum** is an opportunity for budding entrepreneurs to connect with influential thinkers and doers and to learn about the many resources and small business support services that are available in the community.

Since its debut in December 2015, the CULTIVATE LANCASTER Entrepreneurs Forum has engaged **more than 600 local entrepreneurs and resource providers** across three forum events, offering a unique opportunity for budding innovators and existing small business owners to find the resources they need to get established or grow their business.

The fourth CULTIVATE LANCASTER Entrepreneurs Forum returns to the Southern Market Center in the heart of Downtown Lancaster on **April 27, 2017**, and will once again feature a series of **breakout sessions** led by local business leaders and industry experts, **one-on-one mentoring** with advisors from SCORE Lancaster, **group Pitch & Brew sessions**, as well as **plenty of time for networking** with other entrepreneurial minds.

There are limited Sponsorship Opportunities available to reach this important and growing audience that is shaping the future of Lancaster. Take advantage of this valuable opportunity to connect with local entrepreneurs while addressing and solving business challenges, brainstorming ideas and learning from one another!

There are 3 Levels of Sponsorship available:

Presenting Sponsor \$2,500	Lead Sponsor \$1,000
<p><i>Logo on all Cultivate Lancaster marketing materials, including the website banner</i></p> <p><i>Inclusion as Presenting Sponsor in all press releases regarding the event</i></p> <p><i>Opportunity to display banner in the networking area</i></p> <p><i>Prominent area to display marketing materials.</i></p> <p><i>Opportunity to address the audience</i></p>	<p><i>Logo and link on Cultivate Lancaster website in "Sponsorship" section</i></p> <p><i>Space to display marketing materials at the event</i></p>
