

# CULTIVATE LANCASTER

ENTREPRENEURS FORUM

Presented by the Lancaster City Alliance and ASSETS, the **CULTIVATE LANCASTER Entrepreneurs Forum** is an opportunity for budding entrepreneurs to connect with influential thinkers and doers and to learn about the many resources and small business support services that are available in the community.

Since its debut in December 2015, the CULTIVATE LANCASTER Entrepreneurs Forum has engaged **more than 800 local entrepreneurs and resource providers** across four forum events, offering a unique opportunity for Lancaster's budding innovators and small business owners to find the resources they need to get established and grow their business.

The fifth CULTIVATE LANCASTER Entrepreneurs Forum will return to the Southern Market Center in the heart of Downtown Lancaster in **December 2017**, and will once again feature a series of **breakout sessions** led by local business leaders and industry experts, **one-on-one mentoring** with advisors from SCORE Lancaster-Lebanon, **group Pitch & Brew sessions**, as well as **plenty of time for networking** with other entrepreneurial minds.

There are limited Sponsorship Opportunities available to reach this important and growing audience. Take advantage of this valuable opportunity to not only connect with local entrepreneurs, but to support and empower them as they shape the future of Lancaster!
