

You have been a beacon of love, hope and security all my life. I was baptized here as a 6-week-old infant. My grandmother and parents were members until their death. My children returned here with me when they were 9 & 14, and Lauren was married in our Sanctuary. Beau will be married by Rev. Dave Fortuna in South, Louisiana, on this October 28.

Now that I am retired, I love the volunteer opportunities such as Food Pantry, Thursday Night Blessing Meal at Highland Center, and Souper Saturday. Thank you for being here to be the hands and feet of Christ to so many people.
