

I want to thank you for the opportunity of being a part of a growing, friendly church. When I started here, I was going through a difficult time dealing with a death in my family. You didn't ask any questions, ya'll just wrapped your arms around me and for that I am grateful. My kids and I love each and every one of you. Thank you for being there when I needed someone to talk to. Thank you for caring so much about others. I've never felt this much love coming from a work place in all the years I've been working. I really love all of you.

*Love, Kelli Brown*

Thank you for accepting my kids. They enjoyed the times when they came here. VBS was everything to them, meeting new friends and learning about JESUS. The big part of it all was the love that was showing.

*Love the Brown Family, Kelli, Ciarra, Ori Mya, and Ja Nya*
