

This church has been a part of my life for 59 years. I came as a fifth grade child I have celebrated so many important occasions here: our marriage, and our child's christening.

We have taught Sunday school in the children's building, Vacation Bible School, served on boards and committees, worked in the Food Pantry, arranged the flowers, cooked and served for events, and many other things. We have been members of the Upper Room Class for 50+ years.

We have so many beautiful memories and so many amazing friends. Thank you Noel for being the bedrock of our faith.
