

Thank you for welcoming me in 1972 when I decided to join. Thank you for nurturing my children and loving them as they grew from babies to young adults. They cherish those memories.

Thank you for helping me grow in my Christian faith...yesterday, today, and tomorrow.

Thank you for putting people in my path who have shown me God's love in so many ways.

I pray that your love will continue to reach and touch people for years to come.

*Constantly blessed, Cynthia*
