

You have meant many things to me over the past 37 years. First and foremost, you have been a welcoming place of worship. I began my faith journey in this beautiful building many years ago. Over the years, Noel has been a place of fun, a place I made lifelong friendships, and a safe harbor. Today, Noel still means all of these things to me, but more than anything, Noel means family. I come here each week with my husband and son. We sit with my sister, her family, and my parents. But we are surrounded by so many people that love God and love us.

Thank you Noel for putting this “family” in my life.
Thank you for wrapping my family in your love, faith, and comfort.

Sincerely, Sarah Susilovich
