

Thank you for giving me a community. You gave me a group of people to do life with. You have shaped and modeled our family in to the people we are today. You helped us find our gifts, talents and purpose. You loved us despite our flaws. You cared for us when we were weak. You cheered for us when we were on top and came to our side when we were down. You gave us a chance to be a part of something bigger than ourselves and you gave us life-long friends.

Thank you!
