

Thank you for allowing Jeff and I to be a part of Noel. You all have been such a blessing to us! Noel has played such a special part in our lives this past year, getting to know you, worship with you, spending time in the children's ministry, Upward basketball and of course, the Pickleball court! I will never forget VBS 2017 or Mission Possible Kids Camp! Thank you to all the staff for making me feel so special here. We love you and will miss you. We will also be praying for you. And if anyone ever asks us, "Where do we go to church in Shreveport?", we will say, "Oh, that easy...Noel!"
