Dear Noel,
I know that I have already written a letter and that it is on the website but it doesn't do justice of what Noel is to me. Noel means so much to me and my family. We first came whenever my grandfather, Dave Fortuna, became the senior pastor. Since then my dad joined the praise band and the rest of my family is also very active in the church. Noel is a safe and welcoming place. I am a member of the youth group and it is an amazing place and having heard the plans for the future I know that it is going to be amazing. I have even invited friends to come and they enjoy it too. I love getting involved in the church whether it be youth, the children's building, or something else. I love Noel and can't imagine going anywhere else. I hope Noel is around for a long time and continues to grow and improve. Thanks Noel for being the best.

Love, Ella Davis, youth
