

2017 Tuskegee Next Race 10k

- START / FINISH: DuPage Airport
West Chicago IL
- FINISH TO START DISTANCE: 000 Feet

- Course is roads, taxiways, and runway with many "S" curves.
- The full width of roads, taxiways, and runways was used to measure the shortest path on curves.
- Crossings were measured diagonally or with frozen wheel to obtain the shortest path.

SEGMENT ENDPOINTS
3.1 mile - is at the Start/Finish Line

USATF Certificate IL17007NM
Effective
Mar. 9, 2017 - Dec. 31, 2027

N TURNAROUND

- Hairpin on centerline of Runway 000' 00.00" SW of imaginary line between 1st amber light pair SW of Taxiway G
- Cone a center line SW from turnaround to prevent runners from an early turnaround

10K TURNAROUND

- Hairpin on Road 331' 9.0" N of imaginary line perpendicular to road at 1st gas pipeline marker S of South Tower Ramp W of road
- Cone a center line S from turnaround to prevent runners from an early turnaround

MID TURNAROUND

- Hairpin on centerline of E half of Runway 072' 05.50" SW of imaginary line between 2nd white light pair NE of Taxiway Y
- Remeasure the 72' 05.50" on race day to set hairpin cone. Markings and nails are not allowed on runway
- Cone a center line SW from turnaround to prevent runners from an early turnaround

START / FINISH / SEGMENT ENDPOINT
Hawthorne Ramp Taxiway

Start/Finish Line & segment endpoint is on an imaginary line perpendicular to Taxiway 000' 00" SE of SE edge of Hawthorne Ramp Taxiway Sign

S TURNAROUND

- Hairpin on centerline of Runway 000' 00.00" SW of imaginary line between 1st white light pair NE of Taxiway Z
- Cone a center line NE from turnaround to prevent runners from an early turnaround
