SUBSTITUTION OF ALTERNATES: This section is to be completed by the PSO if there is a need to replace a nominated athlete with an alternate. Alternates may only be submitted if previously selected and posted as part of the PSO's athlete selection process. Alternates will be those athletes who are ranked directly behind those athletes nominated for the allotment of Ontario Cards in a particular category/discipline. The names of alternates must have been published along with the names of nominated athletes. If an athlete drops out or is removed from the OAAP an alternate will be substituted into that athlete's position, provided that the Alternate is substituted within 2016-2017 fiscal year, the alternate is available from the same category/discipline/card level (Full/Half), and funding for athlete being substituted is still available within fiscal year (e.g. full funding for card has not already been paid out to athlete no longer in program).

Complete the following chart listing the athlete to be removed from the OAAP and their replacement. For multiple changes submit a second copy of this page.

On behalf of and with the authority of the PSO/MSO, I hereby certify that the athletes listed are aware of this substitution. The replacement athlete has submitted all required documentation, including the PSO Athlete Agreement.
