

2017-2018

FREESTYLE ONTARIO

Quest for Gold – Ontario Athlete Assistance Program 2017-2018 ATHLETE SELECTION CRITERIA

- 1.0** Quest for Gold – Ontario Athlete Assistance Program 2017-2018 (OAAP) is funded by the Government of Ontario, through the Ministry of Tourism, Culture and Sport (MTCS), and operated through the Sport, Recreation & Community Programs Division. The overarching goal of the *Quest for Gold* – OAAP is directly related to the High Performance Sport goal of the *Canadian Sport Policy* – that Canadians are systematically achieving world-class results at the highest levels of international competition – by improving the performance and number of Ontario athletes performing at the national and international level, thereby contributing to the improved performance of Canada at international competitions.

Specific objectives of the program are:

- a) To help athletes continue their pursuit of athletic excellence at the highest levels of national and international competition;
- b) To encourage athletes to stay in Ontario to live and train;
- c) To compensate athletes for earnings lost while training;
- d) To enable athletes to successfully pursue excellence in sport while fulfilling their educational goals;
- e) To increase athlete access to improved high performance coaching; and
- f) To enhance training and competitive opportunities available to athletes.

The intent of the OAAP is to provide funding to individual athletes in the sport's Train to Train and Train to Win categories based on their demonstrated commitment to high performance sport, allowing them to continue to pursue athletic excellence at the highest levels of national and international competition. **Only those athletes that meet the required minimum performance standard detailed in this Selection Criteria will be considered for this program.** Ideally an athlete will first receive a Quest for Gold "Ontario Card" for 1 to 3 years, which will allow them to train towards the goal of a national team position in subsequent years. Once an Ontario athlete reaches the national level and becomes a recipient of Sport Canada's carding program, they become eligible for the Quest for Gold "Canada Card". Athletes who are not planning to train towards this level of competition should not apply for this program.

2.0 How does it work?

In accordance with the OAAP guidelines, Freestyle Ontario develops sport-specific selection criteria and forms a Selection Committee that will apply these criteria. The top-ranked athletes, based on the criteria, will be awarded Ontario Card status in 2017-2018. This Selection Criteria has been approved by the Board of Directors and reviewed by MTCS staff. Nominated athletes will be required to sign and comply with an Athlete Agreement between the athlete and Freestyle Ontario. Carding status will be for one year starting April 1, 2017 ending March 31, 2018.

Carded athletes will be required to compete exclusively on behalf of the Province of Ontario at National Championship events and for Canada at International Championship events, for a period of one year from the date carding is approved and acknowledge Ontario as their permanent place of residence on athlete profiles, Media Guides, PSO/NSO and personal websites, and in similar types of public communications.

- 2.1** For 2017-2018, the MTCS has allocated **Freestyle Ontario** a total of 12 (TBC) Ontario cards (with the intention of evenly distributing the cards by gender, subject to the criteria and distribution process outlined in section 6).

An athlete's age will be determined as of January 1, 2018.

Freestyle Ontario is not obligated to assign all Ontario Cards if there are an insufficient number of athletes who have demonstrated potential to be considered for future National Teams.

- 2.3** The Selection Committee, as approved by the Freestyle Ontario Board of Directors is comprised of the following members:

Eli Budd, Executive Director, FO
 Jeff Ord, Former Executive Director, FO
 Elaine Maxwell, High Performance Program Committee member, FO
 Josh Hoffman, Treasurer, FO Board of Directors

How much funding is available?

The exact level of funding for the 2017-2018 carding year will be determined by the MTCS after the total number of athletes nominated for Ontario Card status has been determined. Funding will be released prior to March 31, 2018.

How will the Freestyle Ontario Selection Committee decide who receives funding?

The Freestyle Ontario Selection Committee will use the Ministry of Tourism, Culture and Sport Eligibility Criteria and the Sport Specific Selection Criteria detailed below to determine which athletes will be nominated for Ontario Card status in 2017-2018:

3.0 Ministry of Tourism, Culture and Sport Eligibility Criteria:

All athletes must meet the Ministry of Tourism, Culture and Sport's minimum athlete eligibility criteria:

- Athlete must be a Canadian citizen or permanent resident (previously known as a Landed Immigrant).
- Athlete must be a permanent resident of Ontario **for one year prior** to his/her nomination for carding status, (and continue to be a permanent resident throughout the term of the agreement).
- Athletes who have achieved Canada Card status (carded by Sport Canada) are not eligible for Ontario Cards.
- Athletes must be living in and continuing to train in Ontario.

3.1 Residency Exceptions:

Exceptions to these criteria, known as a "Residency Exception" will be considered **on a case specific basis by the** Freestyle Ontario Selection Committee provided that the athlete can substantiate in writing that:

- (a) He/She cannot receive the required level of training in Ontario and is out of the province **temporarily** during the year (i.e. due to lack of facilities, coaching, competitions);
- (b) He/She must attend a post-secondary institution out-of-province either because the course of study is not offered by an Ontario institution; or
- (c) It is more financially feasible to attend a post-secondary institution out-of-province, or other extenuating circumstances that require the athlete to be out of the province.

Any change in an athlete's residency status must be communicated in writing to the PSO/MSO immediately.

The onus is on the athlete to demonstrate that he/she needs to be out-of-province for one of the above reasons. **The athlete must submit written documentation to the Freestyle Ontario by no later than November 24, 2017, clearly indicating how they meet a residency exception(s).**

Athlete's applying for a Residency Exception related to exception (a) above, who are training at an NSO-approved National Training Centre MUST include a letter from the NSO outlining their support for the athlete, the progress the athlete is making and the athlete's potential to make the national team level. Additional documentation may include, but shall not be limited to an explanation of why the athlete is training out of province, whether or not the athlete was formally invited by the NSO, what additional opportunities are being made available beyond those provided in Ontario; and any other information that will illustrate that the athlete is receiving enhanced training while still meeting all obligations of Freestyle Ontario.

3.2 Length of time living outside Ontario:

Athletes living outside Ontario for more than 30 consecutive days within the ministry fiscal year 2017-2018 for athletic or academic purposes must demonstrate, to the satisfaction of the PSO/MSO Selection Committee that appropriate training programs are in place and are being monitored by the PSO/MSO. The onus is on the athlete to:

1. Provide a written plan outlining their training and competition plans to the PSO/MSO prior to their departure from Ontario, as part of their Residency Exception request (due November 24th) and
2. Adhere to the PSO/MSO-approved competition and training plan throughout the carding cycle. At a minimum, this requires regular (monthly) by the athlete with the *FO Executive Director*; and;
3. Submit regular (monthly) training logs to the PSO/MSO to track progress against the PSO/MSO-approved competition and training plan.

Athletes who were formally invited to and are currently participating in their NSO's national team training program are exempt from this requirement.

3.3 Ministry criteria continued:

- Athlete must be a member in good standing with PSO/MSO and NSO where applicable;
- Athlete must have entered into a Sports Organization - Athlete Agreement with his or her PSO/MSO and must be in full compliance with the terms and conditions of that agreement;
- Athlete must have met all terms and conditions of any previous *Quest for Gold* Sports Organization – Athlete Agreements to the satisfaction of the PSO/MSO in order to be eligible for consideration in 2017-2018;
- Athlete must demonstrate a commitment and dedication to a proper training and competitive program, the goal of which is to continue to train towards a national team position and Sport Canada carding;
- Athlete's coach should be minimum Level 2 NCCP certified or trained status Competition Stream or the sport's equivalent in the Instruction Stream, or be engaged in completing this training, as determined by the PSO;
- Athlete must not be under a sanction that prohibits competition as per the Canadian Anti-Doping Policy;
- Athlete must be attending an educational institution full-time (i.e. elementary and secondary schools):
 - Exceptions will be made provided that the athlete can substantiate that his/her training will not allow for full-time attendance or if an athlete requires special needs that preclude full or part-time attendance (e.g. Athlete with a disability (AWAD) athlete);
- Athletes who have completed their area of study at the secondary level (i.e. high school) and who continue to train towards participation in major national or international competitions will also be considered;
- If eligible, the athlete must compete, and continue to compete solely for Ontario and/or Canada for one year from the date of the Minister's letter informing the athlete of acceptance into OAAP program, at Canada Games and other national competitions involving provincial team competitions;
- Athlete must not receive financial support from any other provincial/territorial athlete assistance program. This does not include academic scholarships, bursaries, student grants, student loans, social assistance, disability pensions, and other forms of financial assistance that have nothing to do with competitive sport.

- Eligibility will be limited to Ontario junior-aged athletes, ages 11-22 (“junior-aged” refers to chronological age, not a sport’s specific age category - only exception is for PSO/MSOs using 30% of Ontario Card allotment for athletes older than 22 years of age who have been identified as a potential next generation national team athlete by the PSO/MSO’s selection process.

3.4 Residency Exemption for Military Families: The one-year Ontario residency requirement is waived for any Ontario Card or Canada Card applicant who is a spouse or dependant of a: Regular Force member of the Canadian Forces; or Reservist currently deployed by the Canadian Forces into active service and who takes up residence in Ontario during the fiscal year. This means that eligible military family members now qualify for OAAP funding immediately upon becoming residents of Ontario. Please contact Freestyle Ontario for more information if you are applying for this exemption.

- To be deemed a potential next generation national team athlete, the athlete must be age-eligible to compete on the national team in the year following receipt of Ontario Card funding.
- All athletes under the age of 18 must have their parent or legal guardian sign their OAAP application form. Cheques will be processed in the name of the eligible athlete.
- An athlete can only be nominated to receive *Quest for Gold* funding in one sport.

4.0 Athletes funded through the Sport Canada AAP:

Ontario athletes who have been nominated and accepted for funding through Sport Canada’s AAP within the government of Ontario’s fiscal year (April 1, 2017 to March 31, 2018) and who continue to meet AAP and OAAP eligibility requirements will automatically be considered for a *Quest for Gold* ‘Canada Card’. MTCS will contact those athletes directly at the mailing and email addresses the athlete provided to Sport Canada. Athletes are solely responsible for ensuring that their contact information is kept accurate and up to date at all times.

An athlete who received Sport Canada AAP carding during any part of MTCS’ fiscal year April 1, 2016 to March 31, 2017 and/or any part of fiscal year April 1, 2017 to March 31, 2018 and is no longer in receipt of Sport Canada Athlete Assistance shall not be eligible to receive *Quest for Gold* funding during fiscal year 2017-2018 (April 1, 2017 to March 31, 2018.)

The intent of this rule is to prevent athletes whose performance levels and rankings no longer qualify them for Sport Canada carding from taking an Ontario Card from a future national-level athlete.

4.1 Canada Card Exception (CCE)

Exceptions may apply to this rule (known as a **Canada Card Exception (CCE)**) and will be considered by the Ministry on a case-by-case basis. Exceptions may include, but may not be limited to logistical or administrative changes (e.g. reduction in Sport Canada carding allocation), injuries, etc.

It is the sole responsibility of the athlete to contact Freestyle Ontario Selection Committee prior to **(November 24th, 2017)** to request a CCE. The athlete must submit, in writing, an explanation of why they have not been, or do not expect to be re-carded by their NSO. The submission must include a statement from the NSO, signed and dated on their letterhead, confirming that the athlete still has potential to return to the NSO’s carding program in the future. It is the responsibility of the athlete to submit this letter to the PSO; the PSO NAME HERE will not obtain this letter from the NSO on the athlete’s behalf.

Freestyle Ontario will then contact MTCS in writing prior to the submission of the Athlete Nomination Form to seek individual Canada Card Exceptions. Freestyle Ontario is not responsible for seeking a CCE for any athlete unless requested to do so by the athlete as detailed above.

5.0 National College Athletic Association (NCAA):

On August 1, 2013, the NCAA revised their By-law that previously prevented an athlete from accepting grants from a governmental entity, such as Quest for Gold. Despite this change, any athlete considering an

application to an NCAA institution is strongly encouraged to contact the NCAA Eligibility Center prior to applying for QFG funding.

The onus is entirely on the athlete to determine the impact of accepting OAAP funding on current or future NCAA eligibility and to decide whether or not to accept OAAP funding. The athlete will be required to acknowledge this onus and responsibility when signing the OAAP Ontario Card application form and agreeing to the related terms and conditions of the program. Athletes are strongly encouraged to contact the NCAA Eligibility Center to determine the impact of *Quest for Gold* - OAAP funding on current or future eligibility for a NCAA scholarship or on eligibility to compete in a non-scholarship NCAA sport.

6.0 Freestyle Ontario Athlete Selection Criteria:

The following sport specific athlete selection criteria will be utilized in the identification, ranking and selection of athletes for Ontario Cards:

This criteria aligns with the overarching goal of supporting athletes who are targeted for and who are striving for selection to Freestyle Canada (FC) National Team (in either the mogul, slopestyle, aerial, or halfpipe disciplines):

1. An athlete who previously received *Quest for Gold* funding and entered into a Sports Organization Athlete Agreement must have complied with the terms of that agreement to the satisfaction of the PSO/MSO in order to be considered for funding in fiscal 2017-2018.
2. The athletes must meet the general eligibility and sport specific eligibility criteria stated throughout this *Quest for Gold* document. Decisions by the FO *Quest for Gold* Selection Committee will use the goals and guiding principles as stated in the *Quest for Gold* Ontario Athlete Assistance Program (OAAP) 2017-2018.
3. In order for a Canadian National Slopestyle, Halfpipe or Mogul Team athlete to receive Ontario Carding, they must have been a full time Ontario resident for at least the **two** full years that **immediately precede** their appointment to the National Team.
4. Nominated athletes must have a valid **Ontario FC Can Free 4 athlete license** (or higher) to receive funding. This license must be obtained by **November 24, 2017, and must be valid for the 2017-18** season.
5. The Selection Committee will forward the athlete nominations to the FO Board of Directors for approval.
6. The FO Board of Directors will forward the nominations to the Ministry of Tourism, Culture and Sport (MTCS) for review before **February 12, 2018**.
7. Ontario High Performance Program Participation Requirement: Each *Quest for Gold* eligible athlete must either be a member of the FC Canadian NextGen/C Team Slopestyle, Mogul, Halfpipe, or Aerial Team, or be a member of one of the following FO High Performance Program's teams: FO's Ontario Mogul Team, FO's Ontario Park & Pipe Academy, or FO's Ontario Park & Pipe Team during the 2017-2018 *Quest for Gold* funding period (May 1, 2017 – April 31, 2018). They must have signed and returned the 2017-18 FO High Performance Program Team Agreement and all post-dated team fee cheques by **November 24, 2017**.
8. Each *Quest for Gold* eligible athlete's head coach must be the head coach of the FC National Mogul, Slopestyle, Aerial, or Halfpipe Team; or FO's Ontario Mogul Team (OMT), FO's Ontario Park & Pipe Team (OPPT), or FO's Ontario Park & Pipe Academy (Academy).

9. Eligible RPA for Quest for Gold Ranking: In order to support the *Quest for Gold* overarching goal of advancing OAAP athletes to the FC National Teams within 1 to 3 years of receiving their first card, the eligible RPA for Quest for Gold Ranking will only consider RPA achieved at competitions that meet the following criteria:
- a) Included as a *Qualifying Competition* in the FC 2017-2018 National Team Selection Protocol for Moguls, Slopestyle, or Halfpipe (freestyleski.com/policies).
 - b) Included in the 2016-2017 FO Selection Criteria Section 4 within the Criteria timeframe of November 1, 2016–April 30, 2017
 - c) Mogul and dual mogul Canadian Series events will count for mogul skiers, despite not being a qualifying competition for national team. This is done to match the Canada Cup events available to the slopestyle and halfpipe skiers.
 - d) Be a Tier 1, 2, 3, or 4 level competition, as identified in the 2016-17 FO Selection Criteria
10. Quest for Gold Ranking: The *Quest for Gold* Ranking is determined using the total of an athlete’s Top 3 RPA from *Quest for Gold* eligible events as outlined in Section 6.9 above. Based on the criteria outlined in Section 6.9., for the 2017-2018 *Quest for Gold* selections the FO Quest for Gold Rankings uses the following competitions and events:

Mogul and Dual Moguls	Slopestyle	Halfpipe
Tier 1: FIS World Cups Tier 2: FIS NorAms (Calgary, Park City, Val St Come, Killington) Tier 2: Senior Nationals Tier 3: Canadian Selections (Apex) Tier 4: Canadian Series (Le Massif, Calgary)	Tier 1: Dew Tour (Breckenridge) Tier 1: X-Games (Aspen) Tier 1: FIS World Cup (Mammoth, PyeongChang, Silvaplana) Tier 1: AFP World Tour Finals (Quals Tier 3) Tier 1: SFR AFP Platinum – La Clusaz Tier 3: FIS NorAm (Calgary, Aspen Open, Seven Springs) Tier 4: Canadian Open Tour (MSLM, Yukon, Silver Star, Stoneham)	Tier 1: FIS WC (Mammoth US Grand Prix, Park City US Grand Prix, Tignes SFR) Tier 1: Dew Tour (Breckenridge) Tier 1: X-Games (Aspen) Tier 1: AFP World Tour Finals (Quals Tier 3) Tier 3: FIS Nor-Am (Aspen Open, Calgary Canadian Open Championships, Seven Springs Rev Tour) Tier 4: Rev Tour (Copper) Tier 4: Canadian Open Tour

If there is a discrepancy between the list in Section 6.10. and the criteria in Section 6.9; the criteria in Section 6.9. will override this list in Section 6.10.

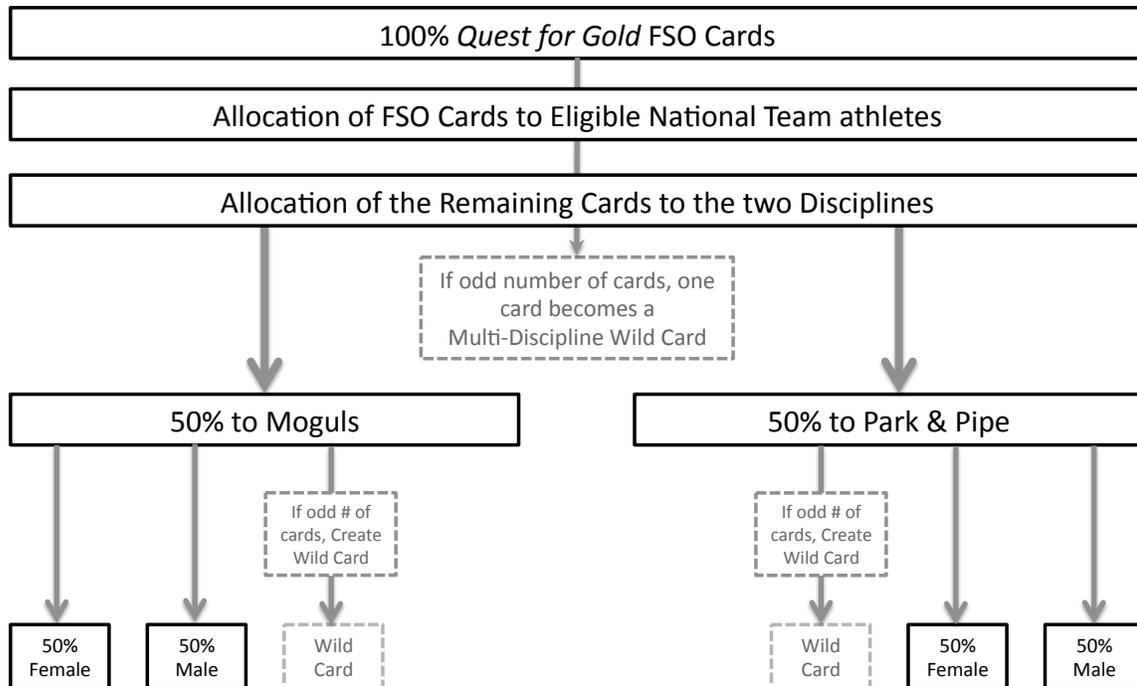

11. Order of Distribution: Distribution of Ontario *Quest for Gold* Cards is as follows:

1.	Ontario Cards are distributed to Eligible* athletes on the FC National Mogul Team, National Halfpipe Team, National Aerial Team, and the National Slopestyle Team first.
2.	The remaining FO Ontario Cards are divided evenly between two distinct disciplines which are: <ul style="list-style-type: none"> i. Moguls (single & duals) ii. Park & Pipe (slopestyle & halfpipe)
3.	<u>Multi Discipline Wild Card</u> : If there are an uneven number of cards after step 2, the Multi Discipline Wild Card criteria will be used to distribute the odd card at this time.
4.	<u>Normal Distribution Phase</u> : Once there is an even number of cards after stages 1-3, the Normal Distribution Phase will be implemented.

	<p>Within each discipline the cards are distributed evenly between two genders:</p> <ol style="list-style-type: none"> i. Males ii. Females <p>If the number of cards allocated to the discipline is an odd number, the odd card becomes a Discipline Wild Card. The Discipline Wild Card is distributed using the Discipline Wild Card Distribution Process outlined below.</p> <p>Discipline Wild Cards are distributed first; Discipline Specific Gender Cards are distributed second.</p>
5.	<u>Discipline Wild Card:</u> If there are an uneven number of cards after step 4, the Discipline Wild Card criteria will be used to distribute the odd card at this time.
6.	<p><u>Discipline Specific Gender Cards:</u></p> <p>Mogul Discipline Specific Gender Cards are distributed to Eligible* female and male athletes on the FO Ontario Mogul Team (OMT) only.</p> <p>At this stage, Park & Pipe Discipline Specific Gender Cards are distributed to Eligible* female and male athletes on FO's Ontario Park & Pipe Academy (Academy) only.</p>
7.	When there are no Eligible* athletes remaining in a gender within a discipline, the remaining Discipline Specific Gender Cards for that gender are then transferred to the other gender in the same discipline.
8.	If no Eligible* Academy athletes remain, the remaining Park & Pipe Discipline Specific Gender Cards will be distributed to Eligible* Ontario Park & Pipe Team (OPPT) athletes. At this point the card will revert back to its original gender. If no Eligible* OPPT athletes of the card's original gender remain, the card will be transferred over to Eligible* OPPT athletes of the other gender.
9.	When there are no Eligible* athletes remaining in a discipline, the remaining Discipline Specific Gender Cards for that discipline are then transferred to the other discipline, starting with the original gender of that card.
10.	FREESTYLE ONTARIO is not obligated to assign all Ontario Cards if there are an insufficient number of athletes who have demonstrated the Minimum Skill and Performance Level required for <i>Quest for Gold</i> Carding.

*Eligibility is as defined in this *Quest for Gold* Selection Criteria by the Ministry of Tourism, Culture and Sport Program Criteria and Freestyle Ontario Sport Specific Criteria.

Table 1.

12. **Multi-Discipline Wild Card:** If an odd card remains after OAAP cards have been distributed amongst the eligible national team athletes, the Multi-Discipline Wild Card criteria will be used to distribute this card.

The Multi-Discipline Wild Card is to be distributed to an eligible athlete on the Ontario Mogul Team (OMT), Ontario Park & Pipe Academy (Academy). Ontario Park & Pipe Team (OPPT) athletes are not eligible for this card.

The Multi-Discipline Wild Card will be awarded to the athlete who has the highest FC High Performance Program Ranking (HPP Ranking) in either the slopestyle, halfpipe, or mogul/dual mogul disciplines. In the event of a tie, the tie will be broken through the Tiebreaker criteria described below.

13. **Normal Distribution Phase:** The remaining cards are split evenly between disciplines, and then the male and female genders. If there are an uneven number of cards within a discipline, the Discipline Wild Card criteria is implemented.

a. **Discipline Wild Card:** If the number of cards allocated to the Discipline is an odd number, one card becomes a Discipline Wild Card. This will create:

- A Mogul Wild Card (Single and Dual Moguls)
- A Park & Pipe Wild Card (Slopestyle and Halfpipe)

Using Eligible *Quest for Gold* Competition/Events from November 1, 2016 – April 30, 2017 as outlined above and applying the 2016-2017 FO Selection Criteria, the following process will be used to nominate an athlete for the Discipline Wild Card::

- i. A value will be assigned to the athletes' highest top ten placing at a Tier 1 competition
- ii. If no eligible athlete has a top ten Tier 1 placing, a value will be assigned to the athlete with the highest top ten placing at an eligible Tier 2 competition

- iii. If no eligible athlete has a top ten Tier 2 placing, a value will be assigned to the athlete with the highest top ten placing at an eligible Tier 3 competition
- iv. If no eligible athlete has a top ten Tier 3 placing, a value will be assigned to the athlete with the highest top ten placing at an eligible Tier 4 competition
- v. For male and female mogul athletes and male park & pipe athletes, values will only be assigned to top ten placings that are within the top 2/3rds of the field size rounded down to the nearest whole number
- vi. For female park & pipe athletes, values will only be assigned to top 1/3rd of the field size rounded down to the nearest whole number. This is done to reflect the smaller field size of the female park and pipe discipline
- vii. Competitors who scored 'did not start' (DNS) or 'did not finish' (DNF) will not be counted when determining the field size of an event

Values will be assigned using the following formula:

1 st place = 10 points	6 th place = 5 points
2 nd place = 9 points	7 th place = 4 points
3 rd place = 8 points	8 th place = 3 points
4 th place = 7 points	9 th place = 2 points
5 th place = 6 points	10 th place = 1 point

The athlete who has the highest point value in the Discipline using the above system will be nominated for the appropriate Discipline Wild Card.

If there is a tie after this process, the athlete with the second highest score earned through the above system will win the previously unassigned card. This process will continue (i.e. third highest score, fourth highest score, etc.) until the tie is broken.

OPPT athletes are not eligible for the Discipline Wild Card.

- b. **Discipline Specific Gender Card:** The QFG High Performance Program Selection Committee will use the *Quest for Gold* RPA Ranking to determine card distribution by gender within a discipline. The highest ranked Eligible athletes within the identified discipline and gender will receive the *Quest for Gold* card nomination. The *Quest for Gold* Rankings will be posted at: ontariofreestyle.com/questforgold.
- c. **Tiebreaker:** In the event of a tie, the Discipline Wild Card distribution process will be used (see Section 6.14.a). The only difference being that a point value will be assigned to the top 30 placings, instead of the top 10 placings. The point values will be assigned as follows:

1 st place = 30 points	16 th place = 15 points
2 nd place = 29 points	17 th place = 14 points
3 rd place = 28 points	18 th place = 13 points
4 th place = 27 points	19 th place = 12 points
5 th place = 26 points	20 th place = 11 point
6 th place = 25 points	21 st place = 10 points
7 th place = 24 points	22 nd place = 9 points
8 th place = 23 points	23 rd place = 8 points
9 th place = 22 points	24 th place = 7 points
10 th place = 21 point	25 th place = 6 points
11 st place = 20 points	26 th place = 5 points
12 nd place = 19 points	27 th place = 4 points
13 rd place = 18 points	28 th place = 3 points
14 th place = 17 points	29 th place = 2 points

15th place = 16 points 30th place = 1 point

If the tie falls within National Team distribution stage, then this process will apply to eligible athletes confirmed on the:

1. National Mogul Team
2. National Slopestyle Team
3. National Halfpipe Team
4. National Aerial Team

14. **Minimum Skill and Performance Level:** All athletes must meet the following Minimum Skill and Performance Levels in order to be eligible for carding:

- a. Have earned three *Quest for Gold* Ranking scores from an eligible Tier 1, 2, 3, or 4 level competition (see Section 6. 11 for details)
- b. Be capable of competently completing a top to bottom run in at least one Tier 4 level competition course, or higher (i.e. Tier 1, 2, or 3). For example, if an athlete is being entered into a Tier 4 mogul competition, the athlete must be capable of performing a top-to-bottom run without major difficulty. If an athlete is being entered into a Tier 4 slopestyle competition, the athlete must be capable of handling and clearing the jumps that are used in this level of competition. If an athlete is being entered into a Tier 4 halfpipe competition, the athlete must be able to complete a top to bottom halfpipe run at this competition. This run must include at least two maneuverers that involve a 360 degree rotation or greater, or at least two manoeuvres that involve a single flip or greater, or a combination of at least one 360 degree rotation maneuverer or greater with one single flipping maneuverer or greater.

7.0 Breaking a Tie: See tiebreaking procedures within section 6.

8.0 Failure to Meet Selection Criteria for Health-related Reasons

Athletes who, for strictly health-related reasons, have not achieved the standards required for nomination of carded status may be considered for nomination under the following conditions:

- The athlete has fulfilled all reasonable training and rehabilitation requirements aimed at a speedy return to full high-performance training and competition during the period of his or her injury, illness or pregnancy and, despite making every reasonable effort to attain the applicable carding standards during the year in which the injury, illness or pregnancy occurred, has failed to do so, in the view of the PSO/MSO, for reasons strictly related to the injury, illness or pregnancy.
- The PSO NAME HERE, based on its technical judgement and that of a PSO/MSO team physician or equivalent, indicates in writing the expectation that the athlete will achieve at least the minimum standards required for carding during the upcoming carding period.
- The athlete has demonstrated and continues to demonstrate his or her long-term commitment to high-performance training and competition goals, as well as his or her intention to pursue full high-performance training and competition throughout the carding period for which he or she wishes to be renewed despite not having met the carding criteria.

If an Ontario athlete became injured and was unable to compete in part of the previous competitive season due to injury, the athlete could be considered for nomination, based on prior seasons' ranking, so long as they meet the following:

1. **Notification** – they must have sent written notification and proof to the FO office as soon as they became injured, and before **April 1** of each season. This notification must include the projected date by which the athlete is able to return to competition, and must include proper documentation from an licensed physician.
2. **Eligibility** – Ontario athletes are only eligible for this “Injury Clause” if they have competed in less

than 66% of all the RPA eligible (as per the FO Selection Criteria document posted on the FO website) competitions offered within a discipline in the current season, due to injury.

Injured Athlete Ranking Process – Once it is determined an athlete is eligible to use the injury clause, they will be included in the official Rankings using competition results from the previous season. RPA for the “injury” period will be calculated using previous season competition scores from the same time frame of the injury and with the same calibre of events missed during the injury period. RPA on the previous season competition results will be calculated using the current season’s selection criteria event weightings. The maximum amount of time an athlete can look back for results to use the injury clause, shall be one (1) Competitive Season as of October 31st of the current Competitive Season.

9.0 Alternates: Freestyle Ontario will also nominate alternates to those athletes nominated for Ontario Card status. Alternates will be those athletes who are ranked directly behind those athletes nominated for the allotment of Ontario Cards in a particular category/discipline. The names of alternates will be published along with the names of nominated athletes. If an athlete drops out or is removed from the OAAP an alternate will be substituted into that athlete’s position, provided that:

- Alternate is substituted within 2017-2018 fiscal year;
- An alternate meeting all requirements is available from the same category/discipline/card level (Full/Half);
- Funding for athlete being substituted is still available within fiscal year (e.g. full funding for card has not already been paid out to athlete no longer in program).

10.0 To Apply:

There is no formal application process required, other than “Residency Exception” or “Canada Card Exception” requests as detailed above. The FO Selection Committee will automatically rank current Eligible athletes for Quest for Gold Nomination.

10.1 Any athlete requesting a “Residency Exception” must submit this information by **November 24, 2017**, as detailed above.

The Sports Organization – Athlete Agreement will only come into effect if an athlete is selected and accepts carding status through the OAAP program. Athletes who fail to return a signed Athlete Agreement by the deadline date will not be carded.

10.4 FREESTYLE ONTARIO will publish or make known a draft list of athletes nominated for Ontario Card status by no later than **February 16, 2018**.

In the event of a conflict or inconsistency between the MTCS eligibility requirements detailed in the MTCS binder provided to PSO/MSOs and duplicated in the Athlete Handbook provided to each nominated athlete and the eligibility requirements listed in the PSO/MSO Athlete Selection Criteria Document prepared by the PSO/MSO, the MTCS Binder/Athlete Handbook shall prevail.

11.0 Appeals

Athletes who have not been nominated for an Ontario Card by the Freestyle Ontario Selection Committee or who have been nominated for a 'Half Card' versus a 'Full Card', where applicable will be allowed to appeal that decision by filing a "Notice of Appeal" with MTCS. Appeals will be heard by an Appeals Committee comprised of representatives from the sport community, selected by the MTCS.

Grounds for appeals will be limited strictly to issues related to:

- A) Whether or not the Selection Committee has completed the selection process in accordance with its own published selection criteria and related procedures;
- B) Whether or not the Selection Committee applied the selection criteria in a manner that was free from bias, discrimination and/or conflict of interest.

Issues related to the specific content or selection requirements contained in the Freestyle Ontario Selection Criteria are not grounds for an appeal and should therefore be discussed directly with the leadership of Freestyle Ontario.

Please note that before an athlete can file a Notice of Appeal, he or she must first ask Freestyle Ontario for reasons explaining why he or she was not nominated for an Ontario Card.

If the athlete is not satisfied with the Freestyle Ontario response, the athlete may submit a **Notice of Appeal**, found below. A Notice of Appeal will only be accepted from the athlete or their parent/guardian on the MTCS-provided template (typed or hand-printed, no hand-written entries) through email, regular post, registered mail, courier or delivered in person. One appeal cannot be written on behalf of multiple athletes. The Notice of Appeal must be received by MTCS by noon on the deadline day. Appeals that are delivered personally or by courier shall be deemed to be received on the date of delivery.

Once MTCS has received the Notice of Appeal, it will share it with Freestyle Ontario, who will then submit a "**Response**" with MTCS by a specified deadline. The Response will outline why Freestyle Ontario believes that the Selection Committee's decision not to nominate the athlete should be upheld by the Appeals Committee. MTCS will share the Freestyle Ontario Response with the athlete.

If, after receiving the Freestyle Ontario Response, the athlete believes that Freestyle Ontario has raised new or additional reasons to justify the Selection Committee's decision not to nominate the athlete for an Ontario Card, then the athlete will have an opportunity to file a "**Reply**" with MTCS, responding to these additional reasons. The Reply must be limited to these additional reasons and cannot be used to make submissions already raised in the Notice of Appeal, or that the athlete neglected to include in the Notice of Appeal. The Reply will only be accepted on the MTCS-provided template.

Once MTCS receives the Notice of Appeal, the Response, and the Reply (if applicable), it will provide those materials to the Appeals Committee. The Appeals Committee will discuss all appeals at once. During its review of the appeals, the Appeals Committee reserves the right to request additional information from both the athlete and Freestyle Ontario.

After reviewing an appeal the Appeals Committee will have the authority to:

1. Direct Freestyle Ontario to redo the selection process using the correct criteria/process and submit a new list of nominated athletes;
2. Deny the appeal; or
3. Allow the appeal and nominate the appellant for carding status.

Once the Appeals Committee has reached its decision, it will contact the athlete and Freestyle Ontario in writing to communicate its decision and the reasons therefore.

An athlete who has had his or her appeal denied is not permitted to submit a second appeal to the Appeals Committee on the same or different grounds.

Note: Freestyle Ontario is encouraged to resolve disputes or disagreements informally with athletes who have not been nominated to avoid, wherever possible, formal appeals.
