#### Comments

- There are really good resources available. The information shared here should be shared widely.
- Very informative and well organized.
- Ten million dollars is set aside for CIGS. It is very to present on CIGS.
- It was informative.
- Would recommend this session buy maybe redesigned for target audience- state directors or folks in the field.
- Great info! Great people! Exceptional work!
- Too bad the room wasn't full. Free information that is essential to all MEPs was presented.
