## EDITORIAL NOTES

The General Editor wishes to thank Fr. E. Brenk, S.J., for sending an advance programme of the Third International Meeting of the International Plutarch Society, and Ms. Mirela Leibovici and Mr. Donald Sedgwick for their help in preparing this number.

R A. HIGGINS

Most readers of TEIRESIAS must know by now of the death in the spring of this year of Reynold Higgins. He was a scholar of wide interests, which -- because of his work on Greek terracottas -- extended to Boiotia. His contributions to the study of Greek art are a lasting legacy. Those of us who had the good fortune to know him have the additional boon of having enjoyed the friendship of this kind and remarkable man, whose absence we feel keenly. Our sympathy goes out to his family.
