*This is a guide only.
Each actor's journey is
unique and cannot be
categorized as there
are so many variables.*

**Film & TV Income

influencer, stand-in, or
background work.**

*Earnings in at least
2 or 3 of the last 5 yrs;
not one-off 'good years'.*

*TV also includes web-series /
filmed skit shows /
speaking roles as a
character (not yourself)*

*Note: if you have actively
'built' your social media
following, please don't
choose known entity for
this exercise unless you
are known primarily for your
professional acting work.*
