ABOUT THE FOUNDER

Morgan Davis is a graduate of Howard University, where she received her BFA in Fashion Design. She is currently pursuing her MBA at the University of Maryland University College. Upon coming to Howard from Michigan, she started a plus-size clothing line for two years where she sold custom designs and vintage wares. Since then, she went on to help other local fashion businesses with their brand development, coordinate a variety of fashion and art shows, and have her designs featured in various fashion shows like DC Fashion Week.

When she's not running Distinctly Creative, she also works at the University of Maryland doing marketing for some of their entrepreneurship programs, provides freelance graphic design services for local brands, and manages her personal clothing line.
