Consent to Treat Property for Japanese beetle Control

Please supply us with a record of your consent before April 6, 2018, if possible, by following the steps below:

1. Save this form to a location such as your Desktop.
2. Open the saved version of this form.
3. Fill in all requested information on form.
4. Click the Submit button.
5. Send the e-mail that is generated to jb@agri.idaho.gov

I, _____, am the owner/occupant of property located at _____, Boise, Ada County, Idaho.

I understand that a Japanese beetle (*Popillia japonica*) infestation has been detected on or near my property. I give my consent to allow the Idaho State Department of Agriculture (ISDA) and its agents and employees to treat areas of my property containing lawn or turf twice during the spring/summer of 2018 with a granular insecticide for control of JB larvae in the soil.
