

CURRICULUM VITAE

Paul J. Slosar, Jr., M.D.

SpineCare Medical Group
San Francisco Spine Institute
455 Hickey Boulevard #310
Daly City, CA 94015
650-985-7500

- CERTIFICATION**
- Diplomate, National Board of Medical Examiners (1989)
 - Diplomate, American Board of Orthopaedic Surgery (1996)
 - Charter Diplomate, American Board of Spinal Surgery (1998)

- LICENSURE**
- California (1993-present)
 - Illinois (1989-1995)

PROFESSIONAL TRAINING

- 1993-1994 Spine Surgery Fellowship
The San Francisco Spine Institute/SpineCare Medical Group
- 1989-1993 Orthopaedic Surgery Residency
Loyola University Medical Center, Maywood, Illinois
- 1988-1989 General Surgery Internship
Loyola University Medical Center, Maywood, Illinois

EDUCATION

- 1984-1988 Doctor of Medicine
AOA Medical Honor Society
Rush University Medical College, Chicago, Illinois
- 1980-1984 Bachelor of Science, Physiology
University of Illinois, Champaign, Illinois

PERSONAL

Birthplace: Evergreen Park, Illinois

- EMPLOYMENT**
- 1994 - 1997 Midland Orthopaedic Associates
Chicago, IL
 - 1997 - Present SpineCare Medical Group
Daly City, CA

HOSPITAL AFFILIATIONS

Mills-Peninsula Health Services
1783 El Camino Real
Burlingame, CA 94010

Presidio Surgery Center
1635 Divisadero Street, Suite 200
San Francisco, CA 94115

Saint Francis Memorial Hospital
900 Hyde Street
San Francisco, CA 94109

Seton Medical Center
1900 Sullivan Avenue
Daly City, CA 94015

California Pacific Medical Center
2333 Buchanan Street
San Francisco, CA 94115

University of California San Francisco
505 Parnassus Avenue
San Francisco, CA 94143

APPOINTMENTS

- President
 SpineCare Medical Group (2007-present)
- Medical Director
 Spine Care Institute of San Francisco (2009-present)
- Assistant Director, Surgical Fellowship
 The San Francisco Spine Institute (1998-2012)
- Assistant Director, Surgical Research
 The San Francisco Spine Institute (1998-present)
- Board of Directors
 The American Board of Spine Surgery (2005-present)
- Board of Directors
 The Spinal Research Foundation (2012-present)
- Board of Directors
 Saint Francis Foundation (2012-2017)
- Oral Board Examiner
 The American Board of Orthopaedic Surgery (2005-present)
- Oral Board Examiner
 The American Board of Spine Surgery (2008-present)
- Expert Reviewer/ Spine Surgery
 The Medical Board of California (2004-present)
- Reviewer Board Member
 Spine (2001-present)
- Editorial Board Member
 Spinal Research Foundation (2007-present)
- Medical Executive Committee
 Presidio Surgery Center (2008- present)

- Editorial Board Member
The Spine Journal (2001-2009)
- Editorial Board Member
Spine Line (2000-2009)
- Editorial Advisory Board Member
Orthopedic Technology Review (2002-2007)
- Executive Committee/Western U.S. Representative
International Society for the Study of the Lumbar Spine (2004-2007)
- Research Project Management Committee
North American Spine Society (2000-2004)
- PGA Tour Event Medical Staff
The Presidents Cup; Harding Park, San Francisco 2009
- Champions Tour event Medical Staff
Charles Schwab Cup Championship; Harding Park, San Francisco 2011
- PGA Tour Event Medical Staff
US Open Championship; Olympic Club; San Francisco 2012

AWARDS

Top Doctor Orthopedic Spine Surgery 2013, 2014, 2015, 2016, 2017, 2018;
Castle Connolly/ US News and World Report®

Best Basic Science Paper (Whitecloud Award) 2014; *Scoliosis Research Society International Meeting on Advanced Spine Techniques (IMAST), 2014.*

Healthcare Leadership Award 2014; *Becker's Orthopedic and Spine Review*

San Francisco Super Doctors 2012/ 2013; *Super Doctors Key Professional Media*

Top 100 Spine Surgeons US; *Becker's Orthopedic and Spine Review, 2011*

Center of Excellence Award: San Francisco Spine Institute; *Spinal Research Foundation, 2009*

Outstanding Poster Award: *The Spinal Arthroplasty Society, 2008*

Outstanding Poster Award; *North American Spine Society, 1998*

Berkheiser Award for Outstanding Research in Orthopaedics; *The Institute of Medicine of Chicago, 1993*

Outstanding Paper: Residency Trauma Paper Competition; *American College of Surgeons, 1992*

PROFESSIONAL SOCIETY MEMBERSHIPS

- International Society for the Study of the Lumbar Spine
- North American Spine Society American
- Academy of Orthopaedic Surgeons
- American College of Spinal Surgery
- Society for Minimally Invasive Spinal Surgery
- International Society for the Advancement of Spinal Surgery
- AO Spine International
- Spinal Research Foundation
- Society of Lateral Access Surgeons
- California Orthopaedic Association
- California Medical Association
- San Mateo County Medical Association
- Alpha Omega Alpha Medical Honor Society

BIBLIOGRAPHY

PUBLICATIONS: ORIGINAL ARTICLES (Peer-Reviewed Journals)

1. Pinzur M, Slosar PJ. Functional Outcome: Through Knee Amputation in Peripheral Vascular Insufficiency. *Contemporary Orthopaedics*; 24 (2):157-160, 1992
2. Patwardhan A, Slosar PJ, Gavin T. Stabilization of Fractures of the Thoracolumbar Spine. *Spine: State of the Art Reviews*. May 1993
3. Slosar PJ, Patwardhan A, Lorenz M, Havey R, Sartori M. Instability of the Lumbar Burst Fracture and Limitations of Transpedicular Instrumentation. *Spine*; 20 (13) 1453-1461, 1998
4. Slosar PJ, White AH. Controversy: The Utility of Selective Nerve Root Blocks: Diagnostic, Therapeutic, or Placebo? *Spine*; 23 (20) 2253-2254, 1998
5. Slosar PJ, Reynolds JB, Schofferman JA, Goldthwaite ND, White AH. Patient Satisfaction After Circumferential Lumbar Fusion. *Spine*; 25 (6) 722-726, 2000
6. Slosar PJ, Reynolds JB, Koestler M. The Axial Cage: A Pilot Study for Interbody Fusion in Higher-Grade Spondylolisthesis. *The Spine Journal*; 1 (2) 115-120, 2001
7. Schofferman J, Slosar PJ, Reynolds J, Goldthwaite N, White A, Koestler M. The “270°” Lumbar Fusion: An Alternative to the Circumferential Fusion. *Spine*; May 15, 2001

INVITED LECTURES/ GRAND ROUNDS/ EDITORIALS

1. Living Better With Back Pain: A Multidisciplinary Approach. LaGrange Memorial Hospital; LaGrange, IL. September 1995
2. Isthmic Spondylolisthesis. Pediatric Grand Rounds: Mercy Hospital and Medical Center; Chicago, IL. November 1995.
3. The Era of Ortho-Biological Surgery. Guest Editorial: *Orthopedic Technology Review*. Vol. 4(5), 2002.
4. The Role of Bone Morphogenetic Protein in Spinal Fusions. American Academy of Orthopaedic Surgeons/ National Organization of Orthopaedic Nurses, Annual Meeting, San Francisco, CA. February 2004.
5. Emerging Technology Symposium: Motion Preservation Technology. The North American Spine Society Annual Meeting, Chicago, IL. October 2004
6. Non-operative Debates. The North American Spine Society Annual Meeting; Philadelphia, PA. September 2005
7. Pro-STOS: Summary and Implementation. Lumbar Spine Study Group, Charleston, SC. November, 2005.
8. Medical Treatment Issues Under Workers' Compensation Law. California Legislature: Senate Committee on Labor and Industrial Relations: Hon. Senator Richard Alarcon, Chairman. Sacramento, CA. May 3, 2006
9. Osteoporosis and Vertebral Compression Fractures. Department of Internal Medicine Grand Rounds; Seton Medical Center; Daly City, CA; May 2009.

10. Osteoporosis and Vertebral Compression Fractures. Medical Staff Meeting; Saint Francis Memorial Hospital; San Francisco, CA; May 2009
11. Disc Arthroplasty: Novel Lumbar Spine Symposium. AO Spine Global Spine Congress; San Francisco, CA; June 2009.
12. Patient-Reported Functional Outcomes: How to Collect and Report Risk-Adjusted Musculoskeletal Patient-Reported Functional Outcome Data in an Orthopaedic Practice in California. California Orthopedic Association; June 2013.
13. Clinical and Radiographic Outcomes of Painful Lumbar Disc Degeneration Following Interbody Fusion. University of California San Francisco Spine Symposium; San Francisco, CA; 2013
14. Biologics and Basic Science: Advances in Spine Implant Surface Engineering. North American Spine Society Annual Meeting. San Francisco, CA; 2014
15. Avoiding Errors in Spine Surgery. International Society for the Advancement of Spinal Surgery. San Diego, CA; April 2015.
16. Advances In Surface Engineering of Spine Implants to Stimulate Biological Responses. Neurosciences Grand Rounds Texas Back Institute. Dallas, TX. March 2015.
17. Advances In Surface Engineering of Spine Implants to Stimulate Biological Responses. Georgia Neurosurgical Society Spring Meeting. May 2015.
18. Bundled Payments for Spine Surgery. Becker's Spine, Orthopedic and Pain Management Conference: The Future of Spine; Chicago, IL; June 2015.
19. Advances In Surface Engineering of Spine Implants to Stimulate Biological Responses. UCSD Grand Rounds Department of Orthopaedic Surgery. San Diego; July 2015.
20. Spine Surgery State of the Art: Separating Fact From Fiction. Arthritis Foundation Bone and Joint Expo. Burlingame, CA. October 2015.
21. Implant Surface Technology: Material and Topography Influences Biochemical Responses. Selby Spine Course; Foundation for Orthopaedic Research and Education. Park City, UT. January 2016.
22. Spine Implant Nano-technology: The Regulatory and Scientific Landscape. Cedars Sinai Symposium on Current Concepts in Spinal Disorders; Las Vegas, NV; February 2016.

21. Spine Implant Nano-technology: The Regulatory and Scientific Landscape. State of the Art Spine Surgery: A Think Tank; Los Cabos, Mexico; June 2016.
22. Spine Implant Nano-technology: Superior Cellular Responses, No Impact Wear Debris, Exclusive FDA Clearance. North American Spine Society Emerging Technologies Symposium; Boston, MA; October 2016.
23. Bundled Payments: The Landscape for Spine Surgeons. Grand Rounds; Cedars-Sinai Medical Center; Los Angeles, CA; November 2016.
24. Advances in Surface Engineering of Spine Implants to Stimulate Biological Responses. 6th International Congress on Biotechnologies for Spinal Surgery; Berlin, Germany; April 2017.
25. Spine Implant Surface Technology: State of the Art/ Separating Fact From Fiction. Annual Musculoskeletal Education and Research Center Symposium; Philadelphia, PA. August 2017.
26. Patient Reported Outcomes in MIPS and MACRA. North American Spine Society Annual Meeting; Orlando, FL; October 2017.
27. Are New Surface Technologies Becoming New Gold Standard for Interbody Fusion? DWG (German Spine Congress): Stuttgart Germany, December 2017.

COURSE FACULTY APPOINTMENTS

1. Arthroscopic Microdiscectomy: Minimally Invasive Spinal Surgery; The San Francisco Spine Institute; San Francisco, CA. June 1994.
2. American Academy of Orthopaedic Surgery Instructional Course: Minimally Invasive Spinal Surgery; San Francisco, CA. 1997.
3. Least Invasive Spine Surgery. AAOS CME; St. Louis, MO. April 1999.
4. Open and Minimally Invasive Surgery of the Lumbar Spine. Barrows Neurological Institute; Phoenix, AZ. October 1999.
5. Current Techniques in Lumbo-sacral Fixation: Minimizing Complications in Spine Surgery. San Francisco, CA. April 2000.
6. Minimally Invasive Spine Surgery. American Academy of Orthopedic Surgeons CME; St. Louis, MO. July 2000.

7. Non-Threaded Innovations in Lumbar Interbody Fusion. Santa Fe, NM. August 2000.
8. Interbody Fusion Concepts Focus Group. Tucson, AZ. February 2001.
