## **STAFF VACANCIES**

### **COMPETITIVE AND RECREATIONAL**

---

28-1-17

The Rushmoor Gymnastics Academy in Aldershot, Hampshire is currently looking to recruit high calibre staff to work in our multi-national coaching team.

The Club is well established and operates in a stunning 24,000 sq. ft. facility with all of the latest equipment and training aids, and has an International reputation, running every October the world renowned 'Rushmoor Rose Bowl' International.

Any successful candidates would be expected to show a high level of commitment, an ability to coach at all levels, and be prepared to work the flexible schedule necessary for the training of competitive gymnasts.

We are currently looking for people who have expertise in Women's and Men's Artistic Gymnastics. A working knowledge of the National Development Plans and the Code of Points would be an asset.

The remuneration package would be dependent upon experience and qualifications.

We also have a coaching vacancy in our 'Apprenticeship Programme'. This would suit a younger person who would like to make a career in sports coaching. This is a government sponsored scheme that would give the candidate qualifications at Level 2 in Gymnastics Coaching and an NVQ in sports delivery or facility management. Plus we have some availability for people looking for part time work.

Applicants should apply to Bernie Wright at the address above, enclosing a full C.V. by the end of March 2017. Emails to [bernie@rushgym.co.uk](mailto:bernie@rushgym.co.uk) or telephone as above.

Bernie Wright  
Director of Training
