

Childcare Rotation

Occasionally the need arises for the MOMs Together group to help with childcare. This is not ideal, we completely understand, however it is necessary. If each table takes turns, as a group, we will lessen the burden.

Below is the list of meetings and beside the date is the table host's name. If you table host's name is next to the date we are asking for your help with childcare if there is a need. Some weeks they may be completely staffed and not need our assistance. Other weeks they may need a few volunteers to fill in. Your table can decide how to fill the time frame. People can do 30 minute shifts, hour shifts or the entire time. It's completely up to the table and the volunteers that week.
