

Making **ART** Affordable

Monthly payment plan

Owning original work is a luxury, yet no matter how high quality the prints are, there is nothing that speaks more to your heart than an original work, specially made for you. My heart is to make it affordable for everyone to own a professional original work of art to call their own. The monthly payment plan makes it possible.

My monthly payment plan option is available for **Originals** and **Custom** Paintings

→ **1 payment in full**

→ **2 payments in 2 months**

→ **4 payments in 4 months**

Note: If you need more payment options, please let me know.

- Artwork will continue to be displayed in the gallery until payment plan is completed.
- If 2 months pass without payment, the artwork will be put back up for sale and a percentage of your payment will be refunded contingent on the amount of payments made.
