

YOUTH MINISTRY UPDATE

So, the Angels...lost. But that's okay because we had 50 people join us for the game and that was fun! Summer is almost here and we are so ready for the beach days, hang outs, and so much more! Keep a look out for more summer events that are coming up! You'll want to be there. Because we're awesome. And you're awesome. So, there's that's.

CHILDRENS MINISTRY

This week we were blessed to spend time with church family from both near and far as we attended Harbor (Pepperdine Bible Lectureships) in Malibu this past week. It is such a blessing to connect with our brothers and sisters in Christ and to spend time digging deeper into His word. I always feel blessed after I spend this time at the feet of those who have given their lives to study and are able to exegete the text in a way that I may not have understood prior. I am so grateful to God that He is so gentle and patient with us as we learn to serve and follow Him more faithfully

Note: Next week we will have a supply list posted for the church family to purchase items to donate to VBS. If you are unable to be here during the week of VBS, but would still like to donate to the event, that would be greatly appreciated. Simply pull the tag off the paper; write your name on the sheet of paper next to the supply you are willing to buy; and after you have purchased the item, place it in the bin marked VBS in the patio area.

Have a blessed week and invite your friends to VBS!
