

Private Practice Seeks Full-Time Licensed Therapist/Supervisor

Teen Therapy Center is a private mental health clinic located in Los Gatos. We provide individual, group, and family counseling to adolescents and their families. We are seeking a qualified therapist to work as part of our team!

Responsibilities:

- Provide individual and family therapy to adolescents
- Provide group and individual supervision to interns
- Perform intake, assessment, treatment planning, ongoing therapy, and termination services
- Provide therapy to parents – primarily focused on parenting issues
- Coordinate and communicate regularly with parents
- Collaborate with other providers as needed – psychiatrists, primary care physicians, etc.
- Timely maintenance of clinical documentation in accordance with agency policy
- Maintain accurate and up-to-date calendars and client information using practice management software
- Additional opportunities available if desired – starting a group, teaching a class, giving presentations, etc.

Minimum Qualifications:

- California licensed clinician registered and in good standing with the BBS
- Licensed for at least 2 years with the ability and desire to supervise interns
- Experience supervising and managing others
- Passionate about working with adolescents and their families
- Must have extensive experience in individual **and** family therapy with teens
- Proficient in using Cognitive Behavioral Therapy and Family Systems
- Energetic, motivated, compassionate, personable, hard-working, and reliable
- Must not work in another private practice
- Must be able and willing to work afternoons/evenings/weekends
- Experience in treating substance use/abuse and/or eating disorders is a plus, but is not required
- Knowledge of Dr. David Burn's TEAM therapy model is a plus, but is not required

What We Offer:

- Competitive compensation
- Enjoyable, diverse, motivated, and rewarding clients
- Professional, fun, and detail-oriented support staff on site
- Warm, friendly, and supportive team work environment

Teen Therapy Center of Silicon Valley

To apply, please e-mail Lindsay@teentcsv.com with the following:

1. Cover letter
2. Resume
3. Answers to the following supplemental questions:
 - Explain your approach to working with teens.
 - What do you like about working with families? What makes working with families challenging?
 - Explain your experience supervising interns and other clinicians. What do you like about supervising others?
 - What days and times are you available to work (especially afternoons/evenings/weekends as that is when our teen clients are available)? Are there any days/times that you cannot work? Is this flexible?
 - When are you available to begin working?
 - How do you feel about participating in a weekly TEAM therapy training group?
 - What is your desired hourly wage or salary?
