MESSAGE FROM OUR FOUNDERS

As Chief Inspirational Officer (CIO) I am tasked with ensuring the vision of our mission is carried out to everyone that we serve. This is very important to me as I want every family and volunteer who participates with us to feel significant.

We had many highlights in 2019. Most impactful to me is our flagship event, The Publix Atlanta Half Marathon. The Atlanta running community saw 60 wheelchair athletes racing with 160 volunteers. This was awesome! Another highlight was the launch of mine and Brent’s book, Beyond the Finish. We loved having the opportunity to share the magic behind the curtain of our experiences growing up and how The Kyle Pease Foundation came to be.

The most incredible part of being the CIO is being part of the work the foundation is doing to make a difference for our athletes and their families.

Together we wheel!
Kyle
In 2010 after completing my first Ironman I knew I wanted to work in the endurance world. I had no idea what I was truly dreaming about and working toward. After founding The Kyle Pease Foundation in June of 2011, someone told us, “Congrats, you are now running a business!” To see those words ring true, to truly follow my passion and to watch this all grow has been amazing. To see the incredible growth in 2019 from our athletes to our team and the unbelievable support we have is incredibly gratifying from the years of our hard work. The people that help KPF, that race with KPF, and that literally roll with us are the best part of what we do. We thank each of you for always Walking with Kpeasey.

Together WE Wheel!

BP
ATHLETES

In Chair Athletes
286 Finishers, 85 Unique Athletes

Push Assist
508 Finishers, 351 Unique Volunteers

Total Finish Lines: 794

The Kyle Pease Foundation Expands Its Staff

In alignment with our expanded mission to provide inclusion and opportunity beyond the finish line, KPF is proud to announce that in 2019 we added two full time employees. Expanding our staff would not have been possible without a generous grant from The Holly Lane Foundation and the incredible accomplishments from Brent and Kyle’s 2018 Ironman Kona’s fundraising campaign.

Kevin Enners
Project Manager - Engagement

Kevin began racing with KPF in 2012 and joined the staff in March a year after a stint writing for the Marietta Daily Journal. His inability to get to a story swiftly and independently was limiting his career of news reporting. KPF gives him the flexibility to utilize his journalism degree, talents and skills while eliminating the obstacle of how to get to location to cover a story. Blogs, newsletters and most email communication are crafted by Kevin.

Justin “JDude” Knight
Donor Communications

JDude began racing with KPF in 2012 at the Holcomb Bridge Hustle. After completing Ironman Florida in 2015, he was asked what he wanted to do next, thinking the answer would be another race. JDude replied that he wanted a job! It took a few years of volunteering, but KPF was able to make JDude’s request a reality in 2019. JDude is an integral part of our Donor Communications process. Did you get a tax letter in the mail? You can thank JDude for that!
Jake Vinson Family Grant

The Kyle Pease Family Foundation Grant was renamed to the Jake Vinson Family Grant in 2014 in memory of our very dear friend, Jake Vinson, who passed away. Jake was the very first KPF Athlete and will forever be remembered as a young man who embodies the spirit of our organization.

Ricardo Aranda was the 2019 recipient of The Jake Vinson Family Grant. He and his family were awarded a grant to support the purchase and renovation of a new accessible van. Having accessible transportation is paramount to families that have a dependent who is wheelchair bound. Ricardo’s outgoing and courageous spirit truly embodies what this award stands for. His relentless perseverance on and off the race course really stood out to the committee.

We asked Ricardo how he felt about being part of The Kyle Pease Foundation and he said, “It’s a good distraction from everyday life. You know, all the physical and mental challenges that children and young adults with special needs face.”
Thomas Odom has a history of being an advocate for inclusion. In 2019 he made it his personal mission to spread the word of inclusion to others by participating in RAAM (Race Across America) as a solo cyclist. He finished the trek from Oceanside, CA to Dock City, MD in 10 days, 21 hours and 10 minutes. While doing so, he also raised $80,000 to support The Kyle Pease Foundation and Connectibility. Thomas believes that, “If we have a gift, it is our responsibility to use it to help others, not to glorify ourselves.”
Speaking Engagements

In 2018 Brent and Kyle became the first pair of brothers and only the second team in history to finish the Ironman World Championships in Kona, HI. In 2019, they published their first book putting them in high-demand on the motivational speaking circuit. Spreading the message of not just inclusion, but also, “Where there’s a wheel, there’s a way!” Brent and Kyle engaged with more than 25 companies, schools, associations and service organizations to discuss setting goals, overcoming challenges and not taking no for an answer.

A brief sampling of organizations that were motivated by Brent and Kyle:

- Vocera Communications
- Independent Insurance Agents of Georgia
- Live Boundless LLC
- Alabama Society Of CPAs
- Arseneau Advisory Group
- Cox Communications
- Pace Academy
- Lovett School
- Equifax Inc.
- Silicon Valley Community Foundation
- Woodward Academy
- Wellbridge Club Management LLC
- Locumtenens.com
- The Ability Experience
2020: To The Boston Pease Party and Beyond!

2020 is an exciting year for The Kyle Pease Foundation. KPF will build on our successes to continue spreading our mission of inclusion. We will begin with our largest field yet at the Publix Atlanta Half Marathon. We will continue through expanded race participation and adding social opportunities for our in-chair athletes and volunteers after practice runs. KPF will expand its assistance to both individuals and like-minded organizations through partnerships and grant opportunities. For the first time ever, The Kyle Pease Foundation will be represented by two duo-teams in the Boston Marathon!
