

EMMYLAND LTD. - TERMS OF BUSINESS

FIRST TIME CLIENTS

We welcome new clients and we look forward to working with you. If it is the first time however, we do insist on meeting prior to planned shooting dates if possible, and on payment, in full, in advance.

For all clients we require full name, address and date of birth details, or company registration details in the case of limited companies. Please fill out our account form at <http://emmyland.com/hire-info/>

We are happy to move on to 28 day payment terms for clients with whom we have worked several times. The exception being in the case of significant cross hire expenses or where exceptional discounts have been applied (see below).

CROSS HIRE

We are happy to provide a one stop shop for all the equipment you might need on a shoot, and can cross hire anything we don't have in our in-house kit collection at very competitive rates.

If there is a significant element of cross hire or expenses involved in a project however, we require payment in advance for that element. The balance would then be treated on "in advance" or "28 day" terms, as above.
