A VISION OF WYLAM

This year we will have a Filmographer in residence during Festival Week to document all our events and life in the village. They will be producing two short films as a community record of Wylam Winter Tales. For more details please see our website.

Poet, broadcaster & comedian **Ian McMillan** and composer **Luke Carver Goss** present a hilarious family show of words, music & improv, featuring stories, songs and a musical created out of thin air. Anything canand probably will happen !

Indigo Moon Puppet Theatre take the well known story of Cinderella and set it in the sea. **Mermarella** is a captivating show of shadow theatre, comedy and puppetry. A thoughtful and engaging afternoon for all ages & the young at heart.

American musician **Anna Coogan** delivers acoustic americana to operatic rock and most of the audio spectrum in between. There'll be science, protest, lovelorn restlessness and the engaging persona of a one woman show to capture your senses.

Wylam Winter Tales goes to the Opera with mezzo-soprano **Madeleine Shaw** and tenor **Nicky Spence**. Both accomplished performers they will cover a rich and varied programme of favourites old and new all delivered with wit and style.

The lights are dimmed, the candles are lit, the atmosphere is heavy with anticipation...and the tale begins. Tonight, in contemporary language, storyteller **Hugh Lupton** brings us a gripping performance of one of the greatest European legends.

Tyneside Poet **Jo Clement** and storyteller **Pam Pott** lead us in a late January feast of fireside tales and stories not often told in the atmospheric surroundings of Tom & Joe's Nursery. Wrap up warm and join in the wonder. Winter nights were made for this !

We're thrilled to be back at Daniel Farm for an evening filled with good food and the Folk fantastic. Our very own local Folk super-group **The Andy May Trio** will entertain us with an uplifting and dazzling show of energy and virtuosity.

It's 1976 and a small Californian vineyard takes on the French wine establishment in a blind tasting. A funny and heart warming tale with **Alan Rickman** and **Bill Pullman**. Tonight we have our own blind tasting - can you tell the difference ?

Passion, struggle, light and beauty, vivid depictions of a way of life now disappeared. Special guests **Robert McManners** & **Gillian Wales** with music from Gareth Davies-Jones, Bethany Elen Coyle & NESS Choir celebrate the new **Mining Art Gallery**.

Deep, lush harmonies, instantly accessible melodic hooks, feel good vibes and mesmerising guitar playing - the fabulously talented UK Americana trio **Ashton Lane** round off this year's Festival with a gig to remember. Do NOT miss this one !
