LEAD PLANNER

A little about me: I am a life-long Minnesota girl and proud Gopher alumna. I can always find time for my family and friends who mean the world to me. I have intense wanderlust and when I'm not working, I am busy planning my next adventure! I love to cook and experiment with new recipes in the kitchen. At night, you can find me watching Fixer Upper or Friends, cuddling with my dog, and drinking a glass of wine.

Before I became a wedding planner, I joined the wedding industry as a bridal sales consultant. My favorite part of working at Flutter Boutique is seeing the infectious smile on a bride's face when she tries on a dress that she loves. (Getting to try on gorgeous dresses isn't too bad either). It can be a very emotional experience to buy your wedding dress and I often find myself trying not to tear up when the bride says "yes"!

I have always loved weddings, and surprised absolutely no one when I decided to pursue wedding planning!

I am outgoing, friendly, and can easily match other people's energy. I have always been a hopeless romantic and believe in modern fairy tales. I am organized and detail oriented, and will happily obsess over every little detail of your day so you don't have to! I will be there to make sure you can relax and enjoy your wedding day, without having to worry about a thing. I will move mountains to make the wedding of your dreams go off without a hitch. I love to help incorporate personal touches throughout the day to create a wedding that perfectly reflects the couple

I can't wait to help you plan the wedding of your dreams!
