

Residents for Open
Board Elections

August 28, 2016

Dear Members of the PVHA Board of Directors,

I am following up on our letter sent to you on February 29th of this year, in which we asked for clarification on the election process for next year and also included some suggestions. We recently became aware that you have posted election rules as of May 24th on the PVHA website, although we have not yet received a response to our letter.

Thank you for articulating the new process, and we share with you the objective that the next Election for PVHA Directors proceeds as smoothly and efficiently as possible, and also the objective to elicit enough interest to reach a quorum -- which hasn't happened since 2009.

However, we still have questions which we hope you will address soon so the process goes smoothly:

- Are you planning on Including with the ballot a document with short bios (250 words or less) on each candidate and a photo? The PV Golf Club uses this approach, and it is likely to stimulate submission of more completed ballots. If this is the plan, then it would be helpful to indicated the deadline for receiving that info from the candidates
- When do you plan to send the first mailing?
- How many mailings do you plan to send out?
- Is the PVHA planning on developing an email notification list similar to the City's list, so this could be used to send notices and reminders about the election and encourage participation?
- Are you planning on publicizing in the local paper the importance of voter involvement and achieving a quorum?
- Are you planning on promoting the election through postings on NextDoor, thus encouraging voter involvement to achieve a quorum?

Our group of concerned PVE residents sincerely hopes that this input will be helpful to you in achieving a quorum at the next annual meeting. If you'd like to discuss any of these ideas, please let us know.

Respectfully,

Steering Committee for ROBE:
