

**Merry Christmas and complements of the holiday season
from Robb and Marge Wolff and family.**

Message from the Editor

I can't believe how fast time flies, it is coming up on 10 years that my first Model T arrived at our house. We now have 5 Model Ts, a 1907 Model R, and a few others. We all have different phases in our lives, kids, no kids, married, not married, etc. I guess this is our(my) Model T phase.

Just a little background on my Model T phases. I grew up in Windsor, Ontario across the river from the "Motor City" – Detroit. My dad worked for Chrysler for over 40 years, we were a Chrysler family. After going through school and working in the plants (Chrysler of course) I got an office job with Chrysler. After a short time I was transferred to the zone office in Red Deer, Alberta.

We never had any car in our family growing up but a Chrysler product, I am still not sure where I developed an interest in Model Ts. I remember building models of Model Ts and visiting the Henry Ford museum in Dearborn. There were no Model Ts in our family or in the neighborhood. But deep down it was there.

As I was approaching my 50th birthday, Rose was looking for a significant gift for my half-century milestone. Along with our daughter Sarah and our friend Derrick they found a Model T only a couple of miles from our house. We live on Range Road 31A and Keith Robinson lives on Range Road 35. So my current Model T phase is just one of the many I have had over the years.

And as they say, now you know the rest of the story.

Chris

It is important to note for our club to belong the MTFCA a minimum of 50% of our membership need to belong to the parent club. Tours: Robb has been working to organize a tour to Reynolds to the back warehouse. The tour costs \$75.00 per group maximum of ten. John asked if we could bring others, to get enough numbers if short. We need to keep in groups of ten. Larry suggested asking if the T will be on display, if there is heat in the warehouse and if the cafeteria will be open.

The Christmas Party will be December 6th at the Banff Trail Hall. Cocktails will be 6:00pm, Potluck dinner at 7:00pm. We need two turkeys; the ham is being looked after. Cost will be \$25.00 per couple, \$13.00 single. Please bring a vegetable or a dessert dish. We will have a gift exchange as in past years – limit \$10.00 - \$15.00.

New rules at hall require a liquor permit. Ross will look after the permit and getting the alcohol and mixes. If you want special mix i.e. clamato juice, please bring it with you.

Old Business: Held a discussion regarding number of members need for quorum. This is a result of membership dues increase. Dues increased as meeting room rental and postage have increased. One suggestion was that agendas regarding any monetary issues be distributed ahead of the meeting. It was decided that we would try to find a copy of the Foothills Model T Ford Club Bylaws. Kristen will ask Jonathan to look to see if he can track down a copy.

New Business: World of Wheels – Chris is not available to organize this year. Does anyone want to take it over if there is interest? It would be our turn to set up the booth this year. It is costly to register, a theme chosen and then a display built. Also, need to coordinate cars and get commitment from members to assist at the booth. Takes a minimum of week to organize. T Club is not interested this year.

2015 Jubilee Tour Report: Next meeting is November 5th @ 7:00pm at Cam Clark Ford in Airdrie. Keith advised that hotel rooms should be booked soon. Ramada is the host hotel, day tours will be advertised in the next Vintage Ford.

Keith also reminded everyone to vote for the MTFCA Board of Directors.

Keith discussed the letter from the Wayne County regarding donations for the Museum. Canadians do not qualify for tax receipts.

Motion: Ron Rigby moves that the FMTFC contribute \$100.00 to have this matched up to \$300.00 with this campaign. Seconded by Ken Canning. Following discussion the Ross moved the donation be \$250.00. Seconded by Tom Cerkvenac. Carried. Motion was amended to \$250.00 US Funds by Lawrence Gould, seconded by Peter Anderson. Carried.

Meeting Adjourned at 8:45 pm

Thanks to Ross and Robb for donuts.

Bob Hauswirth won the 50/50.

Kenneth William TAYLOR - 1931 –2014

December 13th. Fifty-seven years ago, he married Beth Fielder, and with her had four children; Joan (Shelly Osten), Tom (Jane), Clark (Cheryl) and Al (Tammy), 12 grandchildren, 7 great-grandchildren, 16 chickens and a tambourine. With his dad, Harold, brother, Ross, and later his son, Clark, he farmed the family land at Langdon Corner for seven of those decades. Meanwhile, he had time to be one of the founding members of the Alberta Pioneer Auto Club and Pioneer Acres of Alberta. He was, at various times, the president of the Horseless Carriage Club, the Calgary Historical Society and the Alberta Archaeological Society. He was a member of the Masonic Lodge, the Foothills Model T Club, the Military Collector's Club and was a regular columnist for the World Airline Historical Society. He still had time to teach the Dale Carnegie public speaking courses, volunteer with the Calgary Exhibition and Stampede and with the Calgary Airport White Hatters. He also enjoyed travelling with Beth throughout North America, Russia, Europe, Britain, Australia, South America and Hawaii. Ken and Beth were long time members of Langdon Baptist Church. Ken was an elder at Chestermere Christian Fellowship, and more recently, regularly attended Strathmore Alliance Church. He was, first and foremost, a loving husband and family man, but also a farmer and a friend to many. He was predeceased by his parents, Harold and Eva, and by his brother, Clarence. Condolences may be forwarded through www.mcinnisandholloway.com. The family would like to thank the staff at the Strathmore Hospital for the exceptional care and love they provided to Ken over the past three weeks, so, in lieu of flowers, donations to the Strathmore District Health Foundation would be greatly appreciated.
