FOOD STORAGE REQUIRED.

Visitors in developed sites must store food, garbage and other odorous items that may attract bears in a bear-resistant container, inside their vehicle, or in an enclosed hard-body trailer. All food leftovers and trash must be properly disposed of in a bear-resistant trash receptacle or other container where provided by the Forest Service. Backcountry campers must suspend food, garbage and odorous items at least 10 feet off the ground and four feet away from any tree or pole.
