MY BFF'S BBQ CHICKEN *gluten-free* 55

I LOVE MY ADOB(R)O *gluten-free* 63

Tangy marinated pork belly & okra flash fried. An ode to our IRL brothers, our take on classic adobo is slightly salty & crispy on the outside, but all tenderness on the inside. Naks!

VERY VEGAN SISIG *vegan, gluten-free* 55

Garlicky, citrusy, spicy tofu — yes, TOFU — stir-fry. Not your average sisig, but our omnivore friends describe it as heaven on earth.

WHY YOU LAING? *vegan* 55

Taro leaves slowly & gently cooked in a savory coconut milk sauce. Don't trust anyone who says they're not into this sultry stew. They laing!
