

A Mindful Monday Event at the Stone Church

June 26th, 2017 – 7:30-9:30 PM

What's In Our Seacoast Water & What We Can Do About It?

A G E N D A (Cushion time allotted for presenters to switch technologies if any are needed)

7:35-7:40—Monica Christofili

Introduce everyone and share agenda for the night.

PERSONAL STORIES

7:45ish-7:55ish—Jillian Lane

Cofounder of Greenland Safe Water Action and NH Safe Water Alliance sharing personal experience with PFC contamination.

8:00ish-8:10ish—Andrea Amico

Cofounder of Testing for Pease and NHSWA sharing personal experience with contamination at Pease.

THE BIGGER PICTURE

8:15ish-8:25ish—Kevin Gardner

UNH Professor of Civil & Environmental Engineering looking at these Seacoast issues with wider systematic and geographic lens to see what lessons we might learn from elsewhere.

ORGANIZATION & LEGISLATION

8:30ish-8:40ish—Michelle Sanborn

NH Community Organizer for Community Environment Legal Defense Fund sharing 1) how CELDF has assisted NH communities in asserting their rights to stop harmful projects and 2) why the grassroots effort of the NH Community Rights Network seeks to amend the NH Constitution to recognize, secure, and protect Community Rights throughout the state.

8:45ish-8:55ish—Mindi Messmer

State Rep., D-Rye, providing perspective on history of NH Safe Water Alliance and how advocacy has effectively supported legislation measures.
