RECORDING STUDIO

Head upstairs and you'll find the Grind recording studio. The studio was originally built as a base for co-founder Kaz's music projects and since then friends of the Grind including Sam Smith, FKA Twigs, Pixie Lott, Hurts, Tinie Tempah, Mike Skinner and many others have dropped by to write, record and master their work - alongside an Espresso Martini. Some of them also signed the wall.

Our resident DJ's also use the studio to create the Grind playlists, which are updated every few weeks and are played day and night in all of the Grinds. To stay tuned in once you leave, find us on Spotify by searching for 'Shoreditch Grind'.

The studio is available to hire on a daily basis | To book, email studio@grind.co.uk
