Registration is between 7:30am – 8:00 am on the day of your appointment. First arrived will be first checked in. Make sure you reserve enough time in your schedule. Pick up will be scheduled for the afternoon, typically between 3p-4:30p

Please remember your pet will need to be fasted from the night before. This means no food after 10 pm the day before and no breakfast, snacks or treats in the morning. Pets 5-7 years will be required to have pre-anesthetic blood work performed 2-30 days prior to surgery at additional costs. Please contact the Pet Clinic for pricing.

Pets must be healthy, under 8 years of age, at least 16 weeks of age and have a current rabies vaccine at the time of surgery. All Vaccines are HIGHLY recommended to be completed prior to surgery date. If proof of a current rabies is not provided by surgery drop off, cost or rabies and PCAS lic will be done at additional cost to client.

Updated 05/07/18. Prices subject to change without notice.
