The Rogue River Preserve will benefit the people and natural communities of Southern Oregon….forever!

The acquisition of the Rogue River Preserve is an expression of a region that seeks to embrace the future without losing the values and heritage of the past. Truly, the Rogue River Preserve is a place to honor, cherish and protect.

CONSERVATION FOR OUR NATURAL RESOURCES

- Manage for ecological health
- Protect healthy salmon runs
- Retain and enhance wildlife populations

EDUCATION FOR YOUTH

- Introduce students to outdoor education and learning opportunities
- Host outdoor experiences with partner organizations such as Coyote Trails, Jackson Soil & Water Conservation District, Cow Creek Tribe, and others
- Explore opportunities with local schools

RECREATION

- Offer hiking, birding and exploration
- Provide access to the river for fishing and other activities
- Host special outdoor recreation activities for members and the local community

CONSERVATION FOR THE HISTORY OF THE LAND

- Restore the historical buildings for use as a resource center
- Identify and protect the cultural and archaeological resources on site
