What can I expect?

- Our district retreats at Lake Champion are full of not only tons of excitement, fun, and games, but are also filled with many moments to encounter Jesus.
- There is a Chapel session Friday night, 2 sessions on Saturday, and 1 session on Sunday morning. There are also 2 small group times after the sessions on Saturday meant for you and your students to dive deeper into what the speaker has shared, as well as be a safe place for your students to talk about whatever it is they may be facing in their lives in a smaller, more familiar and personal group.

- Saturday afternoon is left open for lots of free time for you and your students to play basketball, frisbee, soccer, dodgeball, sand volleyball, climb the rockwall, hang out in the game room, eat at the snack bar, ride the giant swing, test your balance skills at the high ropes course, and maybe even take a ride on the zipline into the lake (weather permitting, of course). Free time is meant to give your students a break, as well as for you to build relationships with your students through having some fun!
