

LAKENHAM CREAMERY Est. 1921

*Specialist Ice Cream Makers*

ALDOUS

We've been making ice cream in Norwich since 1921 and now supply many local retail and catering outlets in East Anglia and London.

Our Norfolk County Gold Award winning Fresh Cream Ice Cream is made in the traditional batch method using fresh cream, egg yolks, sugar and an array of delicious flavours.

Our Aldous Traditional Ice Cream has been made in exactly the same way for 90 years using fresh cream milk and tastes exactly as your grandma would remember it.

# Norfolk County Dairy Ice Cream

Norfolk County Dairy Ice Cream we describe as 'The Connoisseurs Choice'.

It's exceptionally high cream content and traditional batch method of production produces an exceptionally smooth and decadent ice cream.

We're delighted to announce that our Marscapone & Fig received 2 stars at the 2016 awards.
