Okay, so you can catch the latest blow-'em-up blockbuster at any of dozens of movie theaters around town. Why pick one over the other? Parking? Prices? Popcorn? All those things are important, sure, but Alamo Drafthouse Cinema — Vintage Park takes our Best Movie Theater award because of its super-special programming. The theater recently screened *A League of Their Own* and *Tank Girl* with actor Lori Petty in attendance. *Dragon Ball Z: Resurrection "F,"* and a 3-D version of the monster flick *Creature from the Black Lagoon* got screen time. Popular series include quote-alongs (*Better Off Dead*), Kids Camp (*The Parent Trap*) and Video Vortex (*Blood Massacre*).
