Home Forward and Homelessness

July 6th, 2016

Our Commitments

Our Commitments

Home Forward targets resources towards our shared efforts in three ways:

- HUD directed programming
- Budget allocations for rent, operating and flexible housing assistance
- Prioritized access to permanent housing programs

HUD-directed

homeforward

HUD-directed

Includes HUD-VASH, Family Unification Program and SRO Section 8 Moderate Rehabilitation Program

~\$5 million annually

1,100+ Units

Budget Allocations

homeforward

Budgeted Assistance

Examples include Short Term Rent Assistance Program, operating support for the Apartments at Bud Clark Commons, and Economic Opportunity Rent Assistance Program.

~ \$2.4 million in annual assistance

Mostly ongoing assistance, but \$157,000 new this year

Prioritized Access

Project-Based Vouchers (PBV)

PBV contracts in buildings that provide supportive housing and/or have waiting list preference for people exiting homelessness.

~\$8.2 million annually

49 projects, more coming

homeforward

Public Housing

Public Housing units accessed through preference for people experiencing or at risk of homelessness

Examples include Apartments at Bud Clark Commons, Bridges to Housing, Alder Elementary Housing Program

~ \$1 million annually

Tenant-Based Vouchers

homeforward

Four voucher “set-asides” including three commitments made through A Home For Everyone

Includes 200 for Homeless Family System of Care, 50 for VASH ineligible veterans, 25 for participants graduating from Home Forward PSH, and 60 for seniors facing displacement due to rent increases.

~ \$2.8 million annually when filled

What's next

What's next

homeforward

Ongoing commitment to full engagement with a Home for Everyone is included in Home Forward's strategic Plan

Focus on working with AHFE partners to support long-term housing stability of families placed in our housing and with our resources.

Identify ways to best support efforts to increase housing placements for people with severe and persistent mental illness
