

Shelter Beds Added in 2016

Multnomah County and the City of Portland fund year-round, winter and severe weather emergency shelter, as do some private organizations. As of November 2016, there were **1,189 year-round** emergency shelter spaces funded by Multnomah County and the City of Portland. Through A Home for Everyone, our community plan to end homelessness, we're meeting the **goal of opening 650 year-round spaces by the end of 2017**. Visit ahomeforeveryone.net for more information.

- There are currently **125 short-term or winter** emergency shelter spaces
- And **265 severe weather** emergency shelter spaces
- Total progress toward goal: **550 year-round** shelter spaces added since November 2015
