Pony Pals Camps

“CTRA” has been providing safe, exciting, and educational riding camps for the children of the Cowichan Valley for over 20 years. The Pony Pals Camps offer an inclusive and individualized therapeutic riding experience.

Each group is made up of no more than 4 campers, who are each paired with one of our Therapy horses and as much volunteer support as needed. Campers will not only get to ride their horse, but will also learn to groom and tack or untack.

Overseeing each group will be one of our Can-TRA certified therapeutic riding instructors, who help to ensure that each camper has a safe and fun experience.

Camp is open to ages 4 and up. Each camper MUST have a current Physician's Referral on file with us.

What To Expect

Riding groups will be made up of no more than 4 riders. The 9:00 group will groom and tack up their horses, and then go for a ride. The 11:00 group will ride and then untack and groom their horses.

Weather permitting riders may go out for a trail ride on one or more of the days. Please ensure riders come with adequate sun protection, long pants suitable for riding, and close-toed footwear. Boots with a 1/2 inch heel are encouraged if possible. No shorts or sandals permitted. Caregivers accompanying riders must also wear close-toed shoes for safety around the horses.

It is preferable that campers use their own riding helmets. If borrowing, the *helmet use waiver must be signed*
