

## Sports

Sports Offered: Aquatics, Athletics, Basketball, Bocce, Bowling, Flag Football, Golf, Gymnastics, Powerlifting, Soccer, Softball, Standup Paddle Boarding, Tennis, and Volleyball

Each sport has a number of volunteer opportunities:

**Competition Administration Team:** Work directly in GMS to ensure athletes are registered correctly, results are posted and provide sports information to coaches, media and athletes. Provide information about competitions, schedules, venue changes, and coaches meetings.

**Officials Support Team:** Welcome the athletes to the 2018 USA Games and march alongside them in the Parade of Athletes with a state delegation.

**Field of Play Team:** Prepare the venue for competition, manage sports equipment and keep the venue clean. Depending on the sport, volunteers will shag balls, place soccer goals, or sweep the volleyball courts between matches. Volunteers will also manage the hydration stations for athletes in each venue.

**Athlete Services Team:** Monitor athlete-only areas, answer questions and provide support for athlete locker rooms.
