IMPORTANT INFORMATION

Dear Parents/Guardians,

One of the students in Grade _____, _____, is extremely allergic to one or a combination of the following: nuts, nut products, sesame seeds, milk, egg and latex. Eating or being in contact with any of these, in any form or amount could create a **life threatening situation**.

For _____ safety, please consider the food choices you include in your child's lunch box and try to eliminate foods such as peanut butter, nutella etc. We also ask that when birthdays and other special occasions are celebrated, that cakes and snacks do not include any of the above ingredients.

Thanking you for your cooperation in this matter.

Mr Bill Kersing
Principal
