Pledge of Support

The undersigned, having reviewed and discussed the nine tenets of civility offered through the *Sisters Country Civility Project* in collaboration with *Speak Your Peace*, pledge to support and use these tenets and to promote their use throughout Sisters Country. The nine tenets are:

- Pay attention
- Listen
- Be Inclusive
- Don't Gossip
- Show Respect
- Be Agreeable
- Apologize
- Give Constructive Criticism
- Take Responsibility

(Optional: Additionally, we have decided to include a 10th tenet:

_____, which specifically reflects our core values.

We are pleased to include it with the other nine tenets as a part of maintaining our commitment to respectful communication.)

We support *Citizens4Community's* efforts to enhance the quality of life in our community by inviting individuals and organizations to become familiar with these practices. And we gladly join this initiative to encourage respectful communication and build trust.
