

## Privacy Policy

1. We collect and use only the personally identifiable information we need to make sure our services are effective. If we need any additional information, we will get your express, explicit approval before collecting and using it.
2. We do not sell, give, rent or trade your personally identifiable information to advertisers, marketers, spammers, or any online "white pages" or "people finder" sites.
3. If you provide personally identifiable information to us about your customers or clients, we will keep that information confidential and will only use it as necessary to provide the services you have purchased. We will not share such information with third parties, including advertisers or marketers or spammers.
4. We take the security of your personally identifiable information seriously, and use industry standard safeguards to protect any personally identifiable information stored on our systems.
5. We do not use cookies.
6. The policy outlined below is legally binding and may be updated from time to time.

### PRIVACY POLICY

**Effective December 11, 2015**

1. Digital 86 ("Digital 86") has created this privacy statement ("Privacy Policy") in order to demonstrate our commitment to your privacy. This Privacy Policy explains the policies adopted and used by Digital 86 in order to protect your privacy as you visit and use the Digital 86 website.

2. Your use of the Site, or your purchase of our services, constitutes an acceptance of our Terms of Use and Privacy Policy. If you have any questions regarding this Privacy Policy, please contact us at [alex@digital86.com](mailto:alex@digital86.com).

3. Your personally identifiable information may be stored on our servers, which are protected by industry standard safeguards.

4. We will retain your information for at least as long as your account is active or as needed to provide you services. We may also keep your information for longer periods of time consistent with our normal business practices and record-keeping requirements. If you wish to cancel your account, or request that we no longer use your information to provide you with our services, or request that we no longer maintain your information, please contact us at alex@digital86.com. We will respond to your request within 14 days.

5. We will retain and use your information as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements.

6. Digital 86 will not disclose any personally identifiable information about any individual except as set forth in this Privacy Policy. This applies to information about our customers and information our customers provide to us about their customers. We are not limited, in any way, in our use of non-personal information that does not permit direct association with any specific individual, or non-identifiable aggregate information about our users (such as the number of customers who use our services, the geographic distribution of our users, the amount of information located and/or removed, etc.).

7. We may collect your personally identifiable information from third parties. If we do, Digital 86 will not sell this personal information to advertisers, marketers or spammers. Nor will we provide any personal information to online "white pages" or "people finder" sites unless you specifically authorize us to do as part of our services.

8. We collect, store and process your personally identifiable information on servers located in the United States. Due to the unpredictable nature of Internet routing, your information may pass through other countries while in transit to our servers. We use the information we collect about you in order to:

- develop and deliver our services
- provide customer service and manage your account
- improve our products, services and marketing.

9. We give access to personally identifiable information about our users only to those who require it for the above purposes.

10. Digital 86, will not sell or rent any of your personally identifiable information to third parties.

11. The personally identifiable information that we collect, and that you provide, is stored by us and is contained behind a "firewall" and only accessible by those who need to know that information and who have special access rights to our production systems. We maintain physical, electronic and procedural safeguards that comply with federal regulations to guard your nonpublic personal information.

12. You are responsible for regularly reviewing the Privacy Statement and related documents. We reserve the right to modify this Privacy Statement at any time. No amendment to or modification of this Statement will be binding unless in writing and signed by a duly authorized representative of Digital 86, or posted to the Site by a duly authorized representative of Digital 86.

13. If you have any questions about this Privacy Policy or the practices of Digital 86 with respect to personal information, you can contact us at [alex@digital86.com](mailto:alex@digital86.com) or write to:
