Bangle Size Guide

When printing this page it is essential that PAGE SCALING is set to NONE in your print options box. When you have printed this page, check that it has printed correctly by measuring the lines below. If printed correctly they will measure either 50mm or 2".

this MUST be 50mm long

or

this MUST be 2" long

The lines to the right show the length of each bangle if they were to be straightened out. In order to find the one that fits you, simply cut out the line including the dotted lines (gap) and wrap it around your wrist, joining (a) to (b). When wrapped around your wrist it should not be too tight or too loose.
